

1    **The Academic Year**

2    **(Administrative Code: Section 42751)**

3    Academic year employees will be appointed for an academic year composed of any three  
4    quarters out of four consecutive quarters. In campuses on quarter system year-round  
5    operation, the period of four consecutive quarters within which an academic year employee  
6    serves shall begin with the quarter to which the employee is appointed. For continuing  
7    academic year employees, upon conversion of the campus to quarter system year-round  
8    operation, the period of four consecutive quarters shall begin with the fall quarter, provided,  
9    however, that continuing academic year employees who prior to conversion of their campus to  
10   quarter system year-round operation had served full time for the immediate preceding two  
11   semesters or three quarters, as the case may be, shall be considered to have served a full  
12   academic year for purposes of section 42654.
