Residents can bring any kind of electronic item that plugs in or uses batteries. Also, large appliances will be accepted.

Items not accepted include: household batteries, light bulbs, glass, wood or tires.

SOUTH EL MONTE

Community invited to bike ride with City Council

The South El Monte Mayor and City Council invite the community to a fun bike ride at 9 a.m. Saturday at City Hall, 1415 Santa Anita Ave.

Bicyclists will meet at City Hall and depart for a scenic bike ride in South El Monte. This event is open

to cyclists of all levels and ages. Participants are asked to bring their own bike and helmet and to wear comfortable clothes and shoes. Free light refreshments will be provided.

The event is part of South El Monte's initiative to encourage biking activities, endorse bicycle safety, promote the health benefits of biking and showcase South El Monte's bike-friendly trails and areas.

For more information, contact the the South El Monte Community Center at 626-579-2043.

ROWLAND HEIGHTS

Rowland Unified saves money on energy

Energy-efficient practices throughout the Rowland Unified School District have resulted in \$1.6 million in energy savings.

RUSD was presented with an "Energy Excellence Award" last week for reaching \$1.6 million in cost savings in 35 months since forming a strategic alliance with Energy Education, a national energy conservation company.

"Rowland Unified School District has achieved success by consistently implementing the organizational behavior-based approach to energy conservation and maintaining productive efforts at all levels of the

organization," said Dr. William S. Spears, chairman and founder of Energy Education.

MONTEREY PARK

Cal State LA gets Hollywood money

The Department of Television, Film and Media Studies of Cal State L.A. received a \$50,000 grant last week from the Hollywood Foreign Press Association.

The award will help undergraduate and graduate students offset the costs of pursuing higher education degrees in a major that often includes high-cost equipment and supplies.

"The HFPA grant helps significantly to level the playing field for CSULA's TV and film student recipients in the competitive local higher education TV, film and theatre studies landscape," said John Ramirez, the grant's principal investigator.
