THE STUDENT SUCCESS FEE (SSF) INITIATIVE

You are invited to a Forum to find out how the SSF Initiative is designed to assist you in achieving the goal of timely graduation!

DATES: TUES, 1/17/12 & THURS, 1/19/12
TIME: 1:30 p.m.
PLACE: University Student Union Theatre

The goal of the proposed initiative is to provide support for services that will dramatically improve academic advisement and increase student retention; increase services for students’ personal development; and improve career exploration and planning, while assisting students in finding rewarding careers and/or opportunities for graduate school.

Additionally, new and emerging technology will be incorporated in ways to support both face-to-face and virtual teaching and learning experiences.
