Apply for the Panetta Institute Congressional Internship Program!

About

Interns complete an intensive two-week course at the Institute in Monterey, CA in August and are then assigned to work for two and one-half months in the Capitol Hill office of a member of the California congressional delegation.

The Institute covers program costs including CSUMB course registration fees, campus services during orientation, air travel and housing in Washington, D.C. Interns also receive up to twenty semester credits.

Eligibility

- Current sophomore or junior standing (not graduating before Spring of 2018)
- Has not accumulated more than 120 semester units (180 credit quarter units)
- 18 years or older
- Is a U.S. citizen
- Is a California resident
- Exhibited superior academic achievement
- Demonstrated commitment to the community and public service

Cal State LA will nominate one student for this prestigious experience.
