

Course History

Within the Advisee Student Center is a tool called **Course History**. This module lists all the courses taken, both transfer and CSULA. This can be a valuable tool during advisement since the table can be sorted by course, description, grade, status, term or units. If for example an advisor was helping a student with repeated course petitions, you can sort by course and find repeated courses.

Navigation: Main Menu > Self Service > Adviser Center > Advisee Student Center

Select **Course History** from the drop down menu and select .

The screenshot shows the Advisee Student Center interface. At the top, there are two tabs: "student center" and "transfer credit". Below the tabs is the heading "Advisee Student Center". On the left, there is a navigation menu under "Academics" with a dropdown menu open showing "Course History" selected. To the right of the menu, there are icons for "Deadlines", "URL", and "Gradebook". Below these icons is a table titled "Winter 2012 Schedule".
