

Satisfying General Education (G.E.) and University Requirements

1. **AP Credit:** the University grants credit toward its undergraduate degree for successful completion of examinations of the Advanced Placement Program of the College Board. Scores of 3 or better are granted 9 quarter units (6 semester units) of elective credit for each examination.
2. **Transfer Courses:** An evaluation of transfer credit identifies general education and graduation requirements met by transfer courses and transfer unit credit accepted. A maximum of 105 quarter units (70 semester units) earned at the Community College will be allowed towards the units required for graduation. No upper division credit or credit for professional education courses is allowed.

Remedial Math and/or English:

1. Students who test into **remedial Math and/or remedial English** are required to enroll in the appropriate course(s) beginning their first quarter at CSULA and every quarter thereafter until the courses are completed.
Time Limit: Per CSU policy you have **ONE YEAR** to complete all remedial coursework from the time you are admitted into the university.

General Education* and University Requirements:

- Introduction to Higher Education (IHE) Course:** Successful completion of this course also fulfills **Block E**.
Time Limit: Completed within the **first two quarters** of attendance.
- Block A:** Each course in this block must be completed with a grade of C or better.
Time Limit: Completed within the **first 45 units**.
- American Institutions Block:** Two courses – History and Political Science
 - History 202A **or** 202B
 - Political Science 150
- Blocks B, C, and D:** The specific number of courses taken to fulfill these blocks is dependent upon your major.
- Block E:** One course must be taken to fulfill this block unless the requirement was fulfilled by completing an IHE course.
- Block F:** GE Upper Division Theme: The **prerequisite** to all Upper Division Theme courses are the completion of **Block A and at least one course each from Blocks B, C, and D**.
- Block G:** Two courses designated as Diversity (d) courses which can be taken as Lower or Upper Division GE courses.
- English 102:** This course must be completed with a grade of C or better.
- University 400:** The Writing Proficiency Examination (WPE) must be taken and passed prior to completion of 135 quarter units.
Time Limit: Completed **BEFORE** you complete **135 quarter units**.

* The lower division General Education requirements differ for students interested in the multiple subject teaching majors (Chicano Studies, Child and Family Studies, Liberal Studies, and Urban Learning) and those majoring in Chemistry, Computer Science and Engineering, Kinesiology, Nursing, Nutritional Science, Biology and others. Please contact the UAAC for more information.

A minimum C grade average in general education is required of all students.
