Basic Parking Rules and Regulations

The responsibility for finding a legal parking space, as well as knowing where and when a parking permit is valid, rests with the vehicle operator.

The purchase of a parking permit does not guarantee a space to park and the inability to locate a space is not considered valid justification for violating of University parking regulations.

parking is prohibited except in Lot 7 with an overnight parking permit. Overnight parking in other lots is prohibited unless authorized by University Police. Personal notes or explanations left on vehicles are not valid substitutes.

A parking citation may be issued without benefit of prior warning, to any vehicle on University property, wunder the following conditions:

- Parking without a permit in any designated parking space
- Parking without properly displaying a permit in full view, numbers clearly visible, according to instructions on hangtag.
- Parking with an invalid permit: a parking permit is rendered invalid when concealed, incomplete, or illegible.
- Parking beyond the limit in a time-controlled zone, which is enforced 24 hours a day, seven days a week
- Vehicles must park within a parking space that has been created by the painting of two lines
- Parking at any time in an undesignated area (i.e. red zones, curbs, blocking driveways, walkways, or any other unmarked place).
- Parking with a permit that was reported lost or stolen, or parking with a false or altered permit
- Parking in a disabled/handicapped spot without a valid Cal State LA permit & DMV Placard

Parking Permits

All vehicles must display a valid Cal State LA parking permit or a daily parking permit from a dispensing machine. Your current parking permit must be displayed and visible on the rear-view mirror of the vehicle or placed face up on the driver’s side dash.

Current parking permits for motorcycles or mopeds must be affixed either above or below the license plate on the back fender. All expired permits must be removed when a current permit is displayed.

Parking permits are only available online at www.calstatela.edu/parking.

Parking permits are typically available during the last week of each previous term. Permit refunds are dependent on the permit proration schedule.

For further information, go to www.calstatela.edu/parking. Lost permits will not be replaced. Owners of convertible vehicles are responsible for securing their parking permit. If stolen due to roof exposure, permit will NOT be replaced.

Housing

First-time freshmen who live on-campus housing, are prohibited from purchasing a residential parking pass, which means that you will not be allowed to park on campus overnight. Freshmen can apply for an exemption to this policy if they demonstrate a compelling need or exceptional hardship by not being able to purchase an overnight parking pass for on-campus housing. For more information visit the Housing Resident Parking page at www.calstatela.edu/parking.

Rideshare Program

Avoid driving altogether and consider alternatives to driving to campus! To get information on ridesharing discounts for Lyft and Waze, or for information on Metro U-Pass and Metrolink discounted fares, contact Commuter Services at (323) 343-5277 or visit the webpage at http://www.calstatela.edu/parking.

Escort Services

The Eagle Patrol offers walking safety escort services. Requests for escorts can be made 24 hours a day by calling University Police, at (323) 343-3700.

Passenger Loading & Unloading

Temporary loading & unloading of passengers only at designated areas marked by either signage or white curb.
