CRITERIA FOR ADMISSION:

Accredited BA/BS Degree.

Two different GPA calculations looking at a total of 17 undergraduate courses.

A GPA of at least 3.0 in nine, specific undergraduate course prerequisites:

- Introductory sociology (equivalent to CSULA SOC 2010)
- Introductory statistics (equivalent to CSULA SOC 2100)
- Intermediate statistics (equivalent to CSULA SOC 3100)
- Research methods—upper-division (UD) (equivalent to CSULA SOC 3900 OR 3910)
- Sociology theory—upper-division (UD) (equivalent to CSULA SOC 4120)
- Four UD elective courses in sociology or closely related fields.

A GPA of at least 2.75 in 24 semester (32 quarter) units of additional, upper-division course work—this is approximately eight additional courses.

Missing 1-3 prerequisites? Not sure if your courses are equivalent to the listed prerequisites?
