To the Associate Dean, Department Chair, or Designee Completing This Form:

The Center for Student Financial Aid must have the graduate, credential, and post-baccalaureate status of financial aid applicants verified by their respective colleges or departments. This is because federal regulations mandate that certain types of financial aid, with varying maximum amounts, can only be awarded to those students who have officially been admitted into these programs, as categorized on the reverse side of the form.

Please note that students with bachelor's degrees who are pursuing certificates, or those taking classes in preparation for admission to another program, or those taking classes for personal reasons are not eligible for financial aid.

Thank you for completing this form. Please return it to the student, or return it to the Center for Student Financial Aid, Student Affairs 124, either in person or through campus mail, mail code 8402-02.
