

**English Language Program Students
Spring Quarter 2009 Payment Schedule**
****NEW STUDENTS****

This schedule applies to ELP students moving into the apartment complex for the first time **Monday, March 30, 2009** and a final occupancy date of Monday, June 15, 2009 (check-out by 5:30 PM). Students moving in after the above scheduled date will be charged on a prorated rate.

The following charges apply to rental and utility charges only, and include a fully furnished apartment, water, trash collection, natural gas, electricity, and basic satellite TV service. You will need additional funds for food and optional telephone installation.

Housing Services will begin processing paid applications on February 9, 2009. Space in the Housing Services complex is confirmed on a **FIRST COME FIRST SERVE** basis, therefore, applications will be prioritized by the date that all of your on-campus Housing materials (License Agreement, Application, and Financial Aid Award Letter if applicable) and the appropriate payment have been received. Making a payment and/or submitting the application materials DOES NOT guarantee you a space in the housing complex. Space in the Housing complex is limited. Any paid applicant that is not confirmed a space will be automatically placed on a waiting list. Confirmation and waiting list letters will be mailed to paid applicants approximately four weeks after the processing date.
