"There is a flickering spark in us all which, if struck at just the right age...can light the rest of our lives, elevating our ideals, deepening our tolerance and sharpening our appetite for knowledge about the rest of the world. Educational and cultural exchanges...provide a perfect opportunity for this precious spark to grow, making us more sensitive and wiser international citizens through our careers."-Late President, Ronald Regan

University of Applied Sciences, Kempten

Situated in the green foothills of the Bavarian Alps with its forests, meadows and lakes, Hochschule Kempten is a very attractive location for students. The former Celtic and Roman town of Kempten-one of the oldest ones in Germany-with its relaxed atmosphere and small size make studying comfortable. It is only 30 minutes drive to the Bavarian or Austrian Alps, and not much more to the Swiss Alps.

THE UNIVERSITY

Studying at Kempten is cosmopolitan, practical and future-oriented. The town is situated in the Allgau, Bavaria's top tourist region. Small groups and a modern, compact campus close to the city centre provide pleasant studying conditions.
