

Campus Security Authorities Crime & Incident Report Form

According to the Higher Education Act, or 20 U.S.C. 1092, now known as the *Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act*, California State University, Los Angeles is required to collect and annually publish statistics concerning the occurrence of selected crimes on campus property (including residential facilities), non-campus property, and public property, reported or known to University Police, local police or any individuals identified by the University as "Campus Security Authorities" (CSA). Campus Security Authorities are defined as, "An official of an institution who has significant responsibility for student and campus activities, including but not limited to, student housing, student discipline, and campus judicial procedures." The information collected from these forms is used to prepare a compilation of statistical crime information for inclusion in the campus' Annual Security Report. University Police will use this form to determine the category of the crime or incident and the location under which the incident should be reported according to the requirements of the *Clery Act*. Data collected on this form is to be used to promote crime awareness and enhance campus safety.

It is the policy of the California State University, Los Angeles (Cal State L.A.) to ensure that victims and witnesses to crime are aware of their right to report criminal acts to the police, and to report University policy violations to the appropriate office (e.g., student conduct violations to the Vice President of Student Affairs). However, if a reporting person requests anonymity, this request must be honored to the extent permitted by law. Accordingly, no information should be included on this form that would personally identify the victim without his/her consent.

In order for Cal State L.A. to satisfy the statistical reporting requirements of the *Clery Act*, all CSA's are required to complete this form when specified crimes/incidents (listed below) are reported to them. In addition, a person reporting an incident of this nature to a CSA shall also be encouraged to report the crime to the Cal State L.A. University Police Department.

Procedures If you are one of Cal State L.A.'s CSA's and you receive a report, or otherwise become aware of the occurrence of one of the selected crimes listed below, please do the following:

1. Encourage the crime victim(s) and/or witness(es) to report the incident to University Police;
2. If the incident indicates the possibility of an imminent community threat, inform University Police without delay;
3. If the incident reported is a sexual assault or other violent crime:
 - ◆ Inform the victim(s) and/or witness(es) of the support services available which can be found in our Annual Security Report (<http://www.calstatela.edu/univ/police/clery.htm>)
 - ◆ Actively support the victim(s) and/or witness(es) in accessing these services.

Sex Offenses: rape; sodomy; sexual assault; fondling; statutory rape

Sex offenses are of special concern to the campus community because they have been historically under reported. The victim of a sex offense typically desires confidentiality and anonymity, as a result he/she will often seek a reporting source other than law enforcement such as a designated CSA. Because the sex offender may continue to pose a threat to the community, the threat potential needs to be evaluated and the campus community alerted/warned as necessary. In this regard, the following additional information is requested.
