What We Offer

The University offers a variety of majors leading to bachelor's and master's degrees in more than 50 fields. Average class size is 28, and students often have the opportunity to work directly with faculty on major research projects.

Cal State L.A. operates on the quarter system. Each quarter term consists of 11 weeks of instruction and 1 week of final exams.

The 175-acre hilltop campus is located five miles east of Los Angeles' civic and cultural center, bordering the San Gabriel Valley.

Applying to the University

Prospective transfer students applying for part-time or full-time undergraduate study must file a completed admission application by the posted deadline. We recommend that you apply online at www.csumentor.edu. Official transcripts from all previously attended colleges/universities will be required.

An application fee of \$55 in U.S. funds, payable to the California State University, is required for each application filed. The fee is NON-REFUNDABLE and may not be transferred to another term at any campus. Fee waivers are available to those who qualify.
