It's All About L.A.

Be at the center of California life

Cal State L.A. is a comprehensive university located near the heart of Southern California. Situated on a 175-acre hilltop campus, we are at the hub of the civic and cultural activities of California's largest city.

Our 20,000+ students, who reflect the diversity of our society, study under award-winning faculty and staff through 115 degree programs and 60 majors in its six colleges.

- Nationally-recognized academic programs – *U.S. News & World Report* consistently ranks Cal State L.A.'s Business and Engineering among the nation's best undergraduate programs, and our Nursing master's degree program is in California's top five—among the highest in the CSU.
- Great location – Cal State L.A. is centrally located, minutes from just about any place you'd like to go. Plus, you don't even need a car, since we have a campus Metrolink rail station.
- Technology – State-of-the-art, 24/7 on-off campus computer access with six open labs, three training labs, and more than 60 networked classrooms. And free on-campus student WIFI access!
- Student Life – Leadership, time management, organization and problem-solving skills are just a few of the advantages you can gain through involvement ... not to mention it's also a great way to make new friends. With more than 130 student clubs and organizations, you'll find activities to match your interests.

An education is something that no one can take away from you. It's a gateway to doing something worthwhile. Going to class every day is like saving your change – one day it will all add up. The impact on a community is huge if everyone's educated. You can see the other side of issues, and you know what's going on in the world.

— Das Jesson

Applying is simple

- Apply online at www.csumentor.edu
- Application fee of \$55 (non-refundable) can be paid online or by mailing a check or money order. Application fee waiver is available
- Be sure to submit your application before the filing period deadline
- To check your application status, go to <https://get.calstatela.edu>

Orientation

Orientation helps you feel “at home” at the University. New students are required to attend orientation. At orientation, you will meet new people, tour the campus, receive academic advisement and register for your classes. For more information, call the Orientation Office at (323) 343-3195, or visit www.calstatela.edu/univ/stuaaffrs/orientation.

Housing

On-campus student housing is available for more than 1,000 students. For information about on- or off-campus housing, call Housing Services at (323) 343-4800, or go online to www.calstatela.edu/univ/housing.

Through involvement in campus organizations like the Student Alumni Association and ASI, you build confidence and leadership skills. When I graduate, I want to give back to my community and share my knowledge.

— Rose Gaw

Financial Aid
