Stay up to date with your profession and earn credit for Continuing Professional Education (CPE) and Minimum Continuing Legal Education (MCLE).

Our Accounting and Tax Seminars bring together experts in the fields of financial accounting, audit, tax managerial accounting, and related areas. The seminars, which are scheduled on Saturdays, include presentations designed for professionals throughout the greater Los Angeles area. The careful selection of current materials and top-quality speakers makes the seminars ideal for accountants, attorneys, auditors, and pension specialists. This program provides exceptional and affordable CPE and MCLE courses for CPAs and attorneys. Sessions are reviewed annually and updated by an advisory board of eminent CPAs and attorneys.

**Accountants and Auditors:** These seminars satisfy 40 of the 80 hours required every two years by California (requirements vary in other states, see Rule B7 of Article 12 of California Board of Accountancy).

**Onsite Training:** Onsite training is available for certain topics. For more information, call (323) 343-4916.
