

# Student Success Fee

## Funding Allocation Summary

### Fiscal Year 2020-21

The Cal State L.A. Student Success Fee (SSF) provides supplemental academic advising and retention services, increased student development opportunities, career programs, and expanded student access to vital infrastructure and applications technologies. The three priorities for this fee are: Academic Advisement and Retention, Student Development and Career Services, and Vital Technologies.

In FY 2020-21, over \$6.1 million were allocated (see Graph 1) to provide services and student centered activities that enriches the learning experience and fosters campus engagement. The student success fee enhances the learning experience through advisement, technology infrastructure, counseling, mentorship, and many other innovative programs.

**Graph 1**

## **Academic Advisement and Retention**

Academic Affairs continues to provide critical academic advisement to assist students in understanding and adhering to University policies and procedures to make progress toward degree completion, through academic advisement, mentorship, and student services.
