SPECIAL SAFEGUARDS FOR FACILITIES OR ACTIVITIES

ACCESS TO CAMPUS FACILITIES

Campus Buildings

Campus facilities are maintained to ensure public safety. Many events held on campus are open to the public, including those at the bookstore, library, and food court. Access to academic and administrative facilities on campus is generally limited to students, employees, and visitors for the purpose of study, work, teaching, and other University business.

Student Housing

It is a violation of University policy to gain unauthorized entry, make unauthorized use of, or misuse any University property. Entering a housing apartment or bedroom to which a student has not been assigned, and without permission, constitutes trespassing. Public areas located in all community centers or common areas within the apartment are for the use of the licensees and their guests only. No one may sleep overnight in housing public areas. The Housing Services Office must approve organized functions in public areas in advance.

BUILDING SECURITY CHECKS

Campus Buildings

The police department operates a student based program, the Eagle Patrol, which is responsible for conducting building security checks and securing the majority of the campus buildings during the evening hours. These buildings are secured starting at 10 p.m., Monday thru Thursday, and 5 p.m. on Fridays and Saturdays. These buildings are closed Sundays except where access authorization has been established in advance. The exception to these closures is the Open Access Lab (OAL), a 24 hour/7 day a week computer lab located in Salazar Hall room 191.

Student Housing

It is the responsibility of each student housing resident of the apartment to ensure that his/her bedroom door and windows are locked and secured when they are not present or when they are sleeping. Furthermore, it is the responsibility of all residents to ensure that the sliding glass doors, front door and windows in the common area spaces are locked and secured prior to leaving the apartment or while sleeping. Apartment doors are not to be left unlocked to accommodate residents who lose keys, do not carry keys, or to allow access to individuals who are not residents thereof. For reasons of security, no public area exit door is to be propped open at any time or left unlocked after scheduled building operating hours. Eagle Patrol or a Police Officer will conduct routine checks of the housing facility.

SPECIAL EVENT SAFETY PLANNING

The University Police will plan and coordinate law enforcement activities related to special events requiring safety support in an effort to provide the University community with the high standards of safety and security.
