

# Summer Session 2025 (State-Support)

## Tuition and Fees Refund Information

---

### Automatic Refunds:

Refunds for tuition and fees, business professional program fees, and non-resident tuition are processed automatically when a student follows the campus established procedures and meet deadline dates to drop courses/units or withdraw from the University each term. Please visit the [University Registrar website](#) for detailed information on processes, important dates, and deadlines.

A \$5.00 administrative processing fee will be withheld from all refunds unless withdrawal is the result of a campus regulation, class cancellation or compulsory military service. The refund policy for the California State University System is based on the [California Code of Regulations, Title V, Section 41802](#).

### Miscellaneous Refunds:

Please note: Refunds for miscellaneous fees (lab fees, application fees, etc.) require approval from the respective department's Dean or Chair. Contact the appropriate department for further information.

### Refund Processing Timeline:

- Tuition and fees refunds are automatically processed the week after census date. Summer 2025 refunds are anticipated to be processed by **August 1, 2025**.
- Students may submit a [Refund Petition](#) at any time. Petitions take up to four weeks to process.

### Full Refund Deadline - Before the Start of the Summer Session

To receive a full refund of tuition and fees, professional program fees, and non-resident tuition fees (less a \$5.00 administrative processing fee), students must drop all courses/units or officially withdraw from the University by the established deadline date.

Summer Session	Full Refund Deadline Date (less \$5 processing fee)
First 5 Week	May 26, 2025
10 Week	May 26, 2025
Second 5 Week	July 6, 2025

### Partial Refund Deadline - Reduction in Unit Load

Students who drop some but not all courses/units resulting in lower tuition fee, or professional program fee, and/or non-resident fee in the campus designated Add/Drop period will be entitled to a refund of the difference in tuition and fees and a refund of the professional program fee and non-resident tuition, if applicable.

Summer Session	Partial Refund Deadline Date
First 5 Week	May 29, 2025
10 Week	June 4, 2025
Second 5 Week	July 9, 2025

### Prorated Refund Dates – After the Summer Session Begins

Students who drop all courses/units or completely withdraw on the first day of classes and no later than the 60% point of the session will receive a prorated refund of tuition and fees, professional program fee and non-resident tuition fees. The prorated charges are based on the drop date or withdraw date and the length of the term. Students are responsible for paying tuition and fees, professional program fee and non-resident tuition fee for the number of days enrolled.

Summer Session	Proration Period
First 5 Week	May 27, 2025 – June 16, 2025
10 Week	May 27, 2025 – July 10, 2025
Second 5 Week	July 7, 2025 – July 27, 2025

### **No Refunds After the 60% Point**

Students who officially withdraw, drop courses/classes after the 60% point in the session(s) will not be entitled to a tuition and fees refund. Students are solely responsible for dropping courses/classes by the published deadline dates. Failure to meet the deadline dates may result in assignment of grades and an obligation to pay tuition fees. Please visit the [One-Stop Financial Services website](#) to view the Refund Proration Schedule.

**Financial Aid Recipients:** Refunds are subject to the Return to Title IV Regulations. Please visit the [Financial Aid and Scholarships website](#) to view the Return to Title IV policy.

### **Refund Method Based on Payment Type:**

- **Cash, Check, Bank Account (Savings/Electronic Check) Payments:**  
Refunds are issued via direct deposit to the student's U.S. bank account. Instructions for enrolling in direct deposit can be found on the [One-Stop Financial Services website](#). If you are not enrolled in direct deposit, a check will be mailed to the mailing address on your GET Student Account. Please ensure the University has your current mailing address.
- **Credit/Debit Card Payments:**  
Refunds will be credited back to the original payment method (credit or debit card) within six months from the transaction date. All credit/debit card payments processed via Transact are subject to the vendor's 2.65% non-refundable convenience fee.
- **Wire Payments:**  
Flywire payments posted to your Cal State LA student account are rolled over to future terms as long you maintain enrollment at Cal State LA. If you are graduating, disqualified, or taking a leave of absence from Cal State LA, please submit a [Refund Petition](#) with supporting documentation. Wire payment refunds are processed through Flywire and sent back to the original source.

### **Important Note:**

Partial tuition and fees payments for a given term are forfeited if a student is disenrolled from that term due to incomplete payment.
