Independent Auditor's Report

To the Board of Directors
Cal State L.A. University Auxiliary Services, Inc.
(A California State University Auxiliary Organization)

Report on the Audit of the Financial Statements

Opinion

We have audited the financial statements of the business-type activities of Cal State L.A. University Auxiliary Services, Inc. ("UAS") Anna Bing Arnold Children's Center (the "Center"), as of and for the year ended June 30, 2022, and the related notes to the financial statements as listed in the index.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the Center as of June 30, 2022, and the changes in its financial position and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("GAAS") and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Center and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Center's ability to continue as a going concern for twelve months beyond the financial statement date, including any currently known information that may raise substantial doubt shortly thereafter.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS and *Government Auditing Standards*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Center's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Center's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Emphasis of Matter

As discussed in Note 1, the financial statements of the Center are intended to present the financial position, and the changes in financial position and cash flows, of only that portion of the business-type activities of UAS that is attributable to the transactions of the Center. They do not purport to, and do not, present fairly the financial position of UAS as of June 30, 2022, and the changes in its financial position and its cash flows, for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Other Matters

Required Supplementary Information

Management has omitted the management's discussion and analysis that accounting principles generally accepted in the United States of America require to be presented to supplement the basic financial statements. Such missing information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. Our opinion on the basic financial statements is not affected by this missing information.

Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying supplementary information and the accompanying schedule of expenditures of federal and state awards as required by the California Department of Education are presented for purposes of additional analysis and are not a required part of the financial statements. The supplementary information and schedule of expenditures of federal and state awards are the responsibility of management and were derived from and relate directly to the underlying accounting and other records used to prepare the financial statements. Such information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America and the California Department of Education Audit Guide issued by the California Department of Education. In our opinion, the supplementary information and schedule of expenditures of federal and state awards are fairly stated in all material respects in relation to the financial statements as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated December 15, 2022, on our consideration of the Center's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Center's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Center's internal control over financial reporting and compliance.

**Cal State L.A. University Auxiliary Services, Inc.
Anna Bing Arnold Children's Center**

**Notes to Financial Statements
June 30, 2022**

Note 1 - Organization

The Anna Bing Arnold Children's Center of Cal State Los Angeles University Auxiliary Services, Inc. ("Center") is a licensed program operated by the Cal State Los Angeles University Auxiliary Services, Inc. ("UAS"), a nonprofit auxiliary organization of California State University, Los Angeles ("University"). The Center's main function is to provide child care services for students, faculty, and staff of the University. The net position of the Center is controlled by UAS as part of its general operations account. In addition, the State of California provides funding to the Center for the General Child Care and Development Program, California State Preschool Program and Child Care Food Program. The activities of the Center are included in the basic financial statements of UAS.

The accompanying financial statements present the net position and changes in net position and cash flows of the Center. These financial statements are not intended to present the financial position and the changes in financial position or cash flows of UAS.

Note 2 - Summary of significant accounting policies

Basis of accounting and measurement focus

The accompanying basic financial statements of the Center have been prepared in conformity with accounting principles generally accepted in the United States of America ("U.S. GAAP"), as promulgated by the Governmental Accounting Standards Board ("GASB"), the accepted standard-setting body for establishing governmental accounting and financial reporting principles. As a component unit of a public institution, the Center has presented its basic financial statements using the reporting model for special purpose governments engaged only in business-type activities in accordance with GASB Statements No. 34 and 35.

The Center operates as a business enterprise and the accompanying financial statements reflect the flow of economic resources measurement focus and the full accrual basis of accounting. Under this method, revenues are recorded when earned and expenses are recorded at the time liabilities are incurred, regardless of the timing of related cash flows.

An enterprise fund distinguishes operating revenues and expenses from nonoperating items. Operating revenues and expenses generally result from providing services and producing and delivering goods in connection with an enterprise fund's principal ongoing operations. The principal operating revenues of the Center's enterprise fund are grants and contracts, campus program revenue and revenue from auxiliary activities. Operating expenses include the cost of services, administrative expenses, and depreciation on capital assets. All revenues and expenses not meeting this definition are reported as nonoperating revenues and expenses.

Cash and cash equivalents

Cash and cash equivalents consist primarily of cash on hand, demand deposits, and money market accounts.

Grants receivable and accounts receivable - other

Grants receivable consists of amounts due from grants and contracts and accounts receivable - other consists of amounts due from the University and others. Annually, a review of open receivables is conducted to determine collectability on past due receivables and an allowance is established based on historical data, if necessary.

**Cal State L.A. University Auxiliary Services, Inc.
Anna Bing Arnold Children's Center**

**Notes to Financial Statements
June 30, 2022**

Capital assets

Improvements and furniture, fixtures and equipment are recorded at cost at date of acquisition, net of accumulated depreciation. The Center capitalizes all expenses for improvements and furniture, fixtures and equipment with costs in excess of \$5,000 and for which it is deemed probable that the assets will not revert back to the granting agency. Property and equipment funded by the California Department of Education are expensed on supplementary schedules during the contract period. Depreciation expense may not be claimed for the reimbursement under child development contracts for assets donated or purchased with public funds. Depreciation is calculated using the straight-line method over the assets' estimated useful lives, which range from three to ten years.

Due to other funds of Cal State L.A. University Auxiliary Services, Inc.

The Center is a licensed child care program under UAS, any excess net position is returned back to UAS' general operating account. As of June 30, 2022, the amount due back to UAS is \$6,077.

Policy regarding use of restricted vs. unrestricted resources

When an expense is incurred for purposes for which both restricted and unrestricted resources are available, the Center will utilize restricted resources first, and then unrestricted resources as needed.

Income taxes

UAS is a not-for-profit organization exempt from income taxes under Section 501(c)(3) of the Internal Revenue Code and Section 23701(d) of the Revenue Taxation Code of California. Accordingly, no provision for income taxes is included in the accompanying financial statements.

The Center has no unrecognized tax benefits at June 30, 2022. UAS's federal and state income tax returns prior to 2019 and 2018, respectively, are closed and management continually evaluates expiring statutes of limitations, audits, proposed settlements, changes in tax law and new authoritative rulings.

If applicable, the Center recognizes interest and penalties associated with tax matters as part of income tax expense and includes accrued interest and penalties with accrued expenses in the statement of financial position.

Use of estimates

In preparing financial statements in conformity with accounting principles generally accepted in the United States of America, management is required to make estimates and assumptions that affect certain reported amounts and disclosures. Actual results could differ from those estimates.

Note 3 - Cash

Cash in bank

The California Government Code requires California banks and savings and loan associations to secure UAS' deposits. Obligations pledged to secure deposits must be delivered to an institution other than the institution in which the deposit is made; however, the trust department of the same institution may hold them. Written custodial agreements are required that provide, among other things, that the collateral securities are held separate from the assets of the custodial institution. The pledge to secure deposits is administered by the California Superintendent of Banks. The fair value of pledged securities must equal 110% of all deposits not covered by federal deposit insurance if obligations of the United States and its agencies, or obligations of the State or its municipalities, school districts, and district corporations are pledged. California law also allows

Cal State L.A. University Auxiliary Services, Inc.
Anna Bing Arnold Children's Center

Notes to Financial Statements
June 30, 2022

financial institutions to secure an agency's deposits by pledging first trust deeds or first mortgages having a value of 150% of an agency's total deposits. All such collateral is considered to be held by the pledging financial institutions' trust departments or agents in the name of UAS.

At June 30, 2022, cash held by financial institutions for UAS was entirely insured and collateralized as described above. The book balance at June 30, 2022 for the Center was \$37,951.

Note 4 - Grants receivable

At June 30, 2022, grants receivable consisted of a receivable from the California Department of Education - Child Development, Preschool Programs and Food Programs in the amount of \$36,406 and a receivable from the U.S. Department of Education - Child Care Access Means Parents in School in the amount of \$33,662.

Note 5 - Capital assets

The capital assets balance at June 30, 2022 consisted of the following activity:

	<u>Balance</u> <u>July 1, 2021</u>	<u>Increases</u>	<u>Decreases</u>	<u>Balance</u> <u>June 30, 2022</u>
Capital assets, depreciable				
Improvements	\$ 166,531	\$ 10,836	\$ -	\$ 177,367
Furniture, fixtures and equipment	<u>54,777</u>	<u>-</u>	<u>-</u>	<u>54,777</u>
Total depreciable capital assets	<u>221,308</u>	<u>10,836</u>	<u>-</u>	<u>232,144</u>
Less: accumulated depreciation				
Improvements	(94,803)	(12,600)	-	(107,403)
Furniture, fixtures and equipment	<u>(45,141)</u>	<u>(6,424)</u>	<u>-</u>	<u>(51,565)</u>
Total accumulated depreciation	<u>(139,944)</u>	<u>(19,024)</u>	<u>-</u>	<u>(158,968)</u>
Capital assets - net	<u>\$ 81,364</u>	<u>\$ (8,188)</u>	<u>\$ -</u>	<u>\$ 73,176</u>

Depreciation expense for the year ended June 30, 2022 is \$19,024.

Note 6 - Related parties

For the year ended June 30, 2022, the Center received \$145,724 from the University for general support of the childcare programs that benefit the faculty and staff of the University. Associated Students of California State University, Los Angeles, Inc. also provided \$140,779 in the year ended June 30, 2022, to the Center to support the operation of child care programs for University students.

**Cal State L.A. University Auxiliary Services, Inc.
Anna Bing Arnold Children's Center**

**Notes to Financial Statements
June 30, 2022**

Note 7 - Retirement plans

The UAS Money Purchase Pension Plan ("Plan") is a defined contribution plan covering all employees of the UAS who have a minimum of one year of service and are age 21 or older. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). The Plan is administered by Prudential Retirement Insurance and Annuity Company (Prudential). Although UAS has not expressed any intent to do so, UAS has the right under the Plan to modify or discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contribution. The Plan contributes an amount equal to 6% of eligible employees' annual salaries. Total contributions to the Plan for the year ended June 30, 2022, were \$307,116, of which \$35,678 were contributed by UAS on behalf of the Center's employees.

UAS also has a tax-sheltered annuity plan whereby UAS will match up to 6% of eligible employees' gross salary contributed by the employees. Total contributions to this plan for the year ended June 30, 2022, were \$118,457, of which \$13,761 was contributed by UAS on behalf of the Center's employees.

Note 8 - Other postemployment healthcare benefits (OPEB) plan

UAS offers an Other Postemployment Healthcare Benefit ("OPEB") Plan, an agent multiple-employer defined benefit healthcare plan administered by CSU Auxiliaries Multiple Employer VEBA Trust (the "Trust"). UAS issues a publicly available financial report that includes complete disclosures and required supplementary information for the OPEB Plan. The report may be obtained from UAS, 5151 State University Drive, Golden Eagle Building Room 314, Los Angeles, CA 90032.

Note 9 - Commitments and contingencies

Coronavirus

In December 2019, a novel strain of the coronavirus ("COVID-19") was reported. On March 11, 2020, the World Health Organization declared the COVID-19 a global pandemic and recommended containment and mitigation measures worldwide. While the disruption is currently expected to be temporary, there is considerable uncertainty around the duration of the disruption. Therefore, the extent of the financial impact and duration cannot be reasonably estimated at this time.

**Cal State L.A. University Auxiliary Services, Inc.
Anna Bing Arnold Children's Center**

**Notes to Supplementary Information
June 30, 2022**

Note 1 - General

The accompanying schedule of expenditures of federal and state awards presents the activity of all federal and state award programs of the Center.

Note 2 - Basis of accounting

The accompanying schedule of expenditures of federal and state awards is prepared on the accrual basis of accounting in conformity with GAAP as described in the notes to the financial statements.

Note 3 - Supplementary schedules

All supplementary schedules are presented in accordance with the prescribed formats in the *California Department of Education Audit Guide*.

Note 4 - Allowable indirect costs

Indirect costs are only applicable to the 1000-5000 Series of general ledger expenditure accounts in the California School Accounting Manual. In accordance with Child Development Programs funding terms and conditions, indirect costs cannot be charged on capital outlay expenditures in the 6000 Series accounts.

Note 5 - Allowable direct costs

Interest expense is only allowable as a reimbursable cost in certain circumstance when it has been preapproved by the administering state department or relates to the lease purchase, acquisition, or repair or renovation of early learning and care facilities owned or leased by the contractor. No interest expense was claimed to a child development contract for the year ended June 30, 2022.

All expenses claimed for reimbursement under a related party rent transaction must be supported by a fair market rental estimate from an independent appraiser, licensed by the California Office of Real Estate Appraisers. No related party rent transactions were claimed to a child development contract for the year ended June 30, 2022.

Bad debt expense is unallowable unless it relates to uncollected family fees where documentation of adequate collection attempts exists. No bad debt expense was claimed to a child development contract for the year ended June 30, 2022.

Independent Auditor's Report on Internal Control over Financial Reporting and on
Compliance and Other Matters Based on an Audit of Financial Statements
Performed in Accordance with *Government Auditing Standards*

To the Board of Directors
Cal State L.A. University Auxiliary Services, Inc.
(A California State University Auxiliary Organization)

We have audited, in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the business-type activities of Cal State L.A. University Auxiliary Services, Inc. ("UAS") Anna Bing Arnold Children's Center (the "Center"), as of and for the year ended June 30, 2022, and the related notes to the financial statements, which collectively comprise the Center's financial statements, and have issued our report thereon dated December 15, 2022.

Report on Internal Control over Financial Reporting

In planning and performing our audit of the financial statements, we considered the Center's internal control over financial reporting ("internal control") as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Center's internal control. Accordingly, we do not express an opinion on the effectiveness of the Center's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses or significant deficiencies may exist that were not identified.

Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Center's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

CohnReznick LLP
