

The background of the entire page is a large group photograph of students. They are arranged in several rows, some standing and some kneeling. Most are wearing black t-shirts with a circular logo that says 'I Serve LA'. Behind them is a grey backdrop with the 'FOOD BANK' logo repeated in a grid pattern. The overall tone is professional yet community-oriented.

ACADEMIC YEAR 2024-2025

Engaged learning. Community partnership. Public value.

PURPOSE AND DIRECTION

SOCIETAL IMPACT IN 2024-2025

CBE continued to institutionalize community engagement in AY 2024-2025 through a second annual symposium, student-led and faculty-led project support, community service, discipline-based consulting, and expanded VITA outreach. The year's evidence demonstrates growing emphasis on partner needs, student leadership, assessment, and public dissemination.
