

The background of the slide is a photograph of a university campus. In the foreground, there is a large yellow rectangular box containing the title text. Below the box, an aerial view shows a paved walkway with several people walking. To the left, a brick building has a sign that reads 'UNIVERSITY BOOKSTORE'. To the right, another brick building has a sign that reads 'CITY CLUB'. In the background, there are more buildings, a palm tree, and a clear blue sky.

# Entering Repeats and Academic Renewals

## How to enter grades for repeats and academic renewal

**Repeats:** If transcript identifies the course as repeated and excludes the course from the college/institution GPA, enter a grade of "RP," unless the repeat is in progress. If a repeat is in progress, the original grade is reported.

**Academic Renewal:** If your college offers academic renewal, use a grade of AR for courses noted as such on the transcript.

## Military Credit

Applicants can upload copies of the DD214 and Joint Services Transcript in the Documents area of the application (Program Materials tile). Credit awarded for the military service and training is not entered under College Coursework. Campuses will review the uploaded documentation and request official copies later on in the admission process if needed.

If the community college is applying military credit to meet the 60-credit minimum for transfer and/or associate degree credits, those may be entered as one course under the community college course entry as follows:

* COURSE CODE	* COURSE TITLE	* SUBJECT	* CREDITS	* GRADE
Military	DD214	Special Topics	3	CR

EXAMPLE

**Course code:** Military  
**Course Title:** DD214  
**Subject:** Special Topics  
**Credits:** Enter 3 - 6 credits depending on the value assigned on the community college transcript.  
**Grade:** CR

### Tips

- Select the course from dropdown selection
- Match the same or similar course subject
- Check transferrable courses on [assist.org](https://assist.org)

- Academic Status: Corresponds to the number of credits completed at the time you began that term. Use the guide on the right to help determine academic status. For any courses that were taken outside of the typical academic statuses, select Freshman.

Freshman: 0-29 semester credits  
 Sophomore: 30-58 semester credits  
 Junior: 60-89 semester credits  
 Senior: 90+ semester credits

As a transfer student, you must complete the four General Education (GE) courses listed below before transferring to a CSU program.

To qualify for admission as an ADT applicant or Upper-division Transfer, the four GE requirements listed below must be fulfilled with a grade of C- or better. Lower-division Transfer applicants must fulfill Written Communication and Math Concepts/Quantitative Reasoning with a grade of C- or better.\*

For each subject below, use the corresponding drop-down to identify the course that fulfills the GE requirement. You can use in-progress or planned courses. Only one course per GE subject is required.

International applicants who are not transferring from a US college or university should select **Opt Out**.

\*If you match the credits you earned from passing a Pass/Fail course, you must enter the course or test on the **College Coursework** page and include a grade of P (for Pass/Fail).

If you match the credits you earned from a standardized test (i.e., Advanced Placement (AP), International Baccalaureate (IB), or College Level Examination Program (CLEP)), you can enter the test on the **Standardized Tests** page.

Visit the [Applicant Help Center](#) for more information.
