## New Features & Enhancements

### Events

#### Event Check-In (Staff Workflow)

Navigate360 has added new features that support students checking in to Events created in the Navigate360 Staff platform. These notes explain what features appear on the Navigate360 Staff platform, as well as the check-in workflow for institutions that do not have any version of the Navigate360 Student app available.

First, a new action has been added on the Events table: **View QR Code**. When selected, a page with a QR code opens along with a direct URL. Expired Events will not open this page.

Search in Results

NAME	CREATION DATE	STATUS
<a href="#">View QR Code</a>	02/17/2025	Active
<a href="#">Edit Event</a>	02/11/2025	Cancelled
<a href="#">Cancel Event</a>	12/20/2024	Cancelled
<a href="#">Delete Event</a>		
<a href="#">VIP Campus Tour Decem...</a>	10/04/2024	Cancelled

### 2025 EAB Campus Visit

Tuesday, 02/18/2025 8:00 AM - 2:00 PM ET

Test Hall

[Copy QR Code](#)

Check-In URL:

Students can use either the QR code or the URL to check in to an **active** event from 24 hours **before** the event until **the end** of the event. If the event is scheduled from 1:00 - 2:00pm, students can check-in until 1:59pm for that specific event.

The QR code and URL can be copied to be placed in, for example, a presentation that is projected before the event, or the page in Navigate360 staff can be displayed.

Once students check into an event, their RSVP and Attendance is marked as Yes on an individual Event tracking page.

#### Invitation

**Subject:** You are invited!

### Event Check-In (Student Workflow)

**Important.** This section is only relevant for schools that *do not have* any form of Navigate360 Student. For information regarding how students check in for Events using the Navigate360 Student app (desktop or mobile), refer to the STU 25.3 Release Notes.

If your institution does not have Navigate360 Student, when students use the QR code or link to check into an event, a new browser window opens, allowing them to log into the legacy Navigate360 platform that staff usually logs into.

User Name:

Password:

[Log in](#)

[Forgot your password?](#)

When the student enters their credentials, they are taken to an Event Check-In page that allows them to check in to the event.

A screenshot of the "Check-In to Event" page in the Navigate360 Student Success portal. The page has a blue header with the "Navigate360 | Student Success" logo and a search bar. A left sidebar contains navigation icons for home, messages, calendar, search, and a menu. The main content area is titled "Check-In to Event" and shows details for a "Public Event":  
**Date:** 02/22/2025  
**Time:** 8:00 AM - 9:00 AM EST  
**Location:** School  
A blue "Check-In" button is located at the bottom of the event details.

If the event has a limited number of spaces and the student checks in once all spaces have been claimed, an *Event at Fully Capacity* page displays. Images of the student experience can be viewed in the STU 25.3 release notes.

## Fixed

### Various Fixes

- Various accessibility improvements have been made to the Navigate360 Staff platform.
- Fixed an issue where some partners were unable to save campaign nudges.
