

Recruiting for Summer & Fall 2024 Orientation & Mobility One Year M.A. Degree and Credential

GRANT FUNDING AVAILABLE COVERING IN-STATE TUITION!

The Orientation & Mobility Specialist (O&M) Training Program at Cal State LA is seeking creative, flexible, and personable candidates who wish for a rewarding and fulfilling career. This program prepares specialists to teach independent movement and travel skills to infants, children and adults who are blind and visually impaired from diverse cultural backgrounds. Bilingual specialists are in high demand.

One year program for:

- ✚ M.A. Degree in Special Education: Option in O&M
- ✚ California Clinical Rehabilitative Services Credential
- ✚ Eligibility to apply for national certification through ACVREP

O&M Specialists

- ✚ Teach outdoors and in the community
- ✚ Work 1:1 with their students
- ✚ Work for schools, private agencies, and state and federal rehabilitation centers
