

Student Success Fee

Funding Allocation Summary

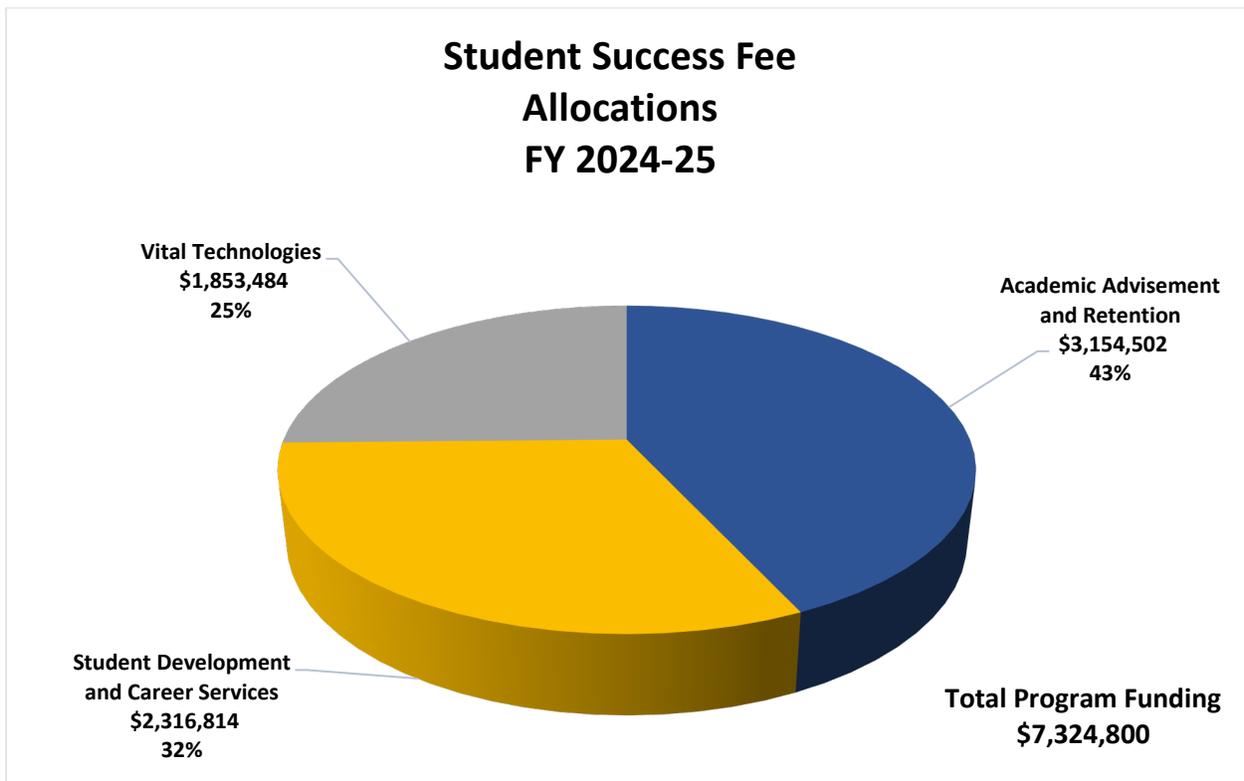

Fiscal Year 2024-25

Administration and Finance

The Cal State L.A. Student Success Fee (SSF) provides supplemental academic advising and retention services, increased student development opportunities, career programs, and expanded student access to vital infrastructure and applications technologies. The three priorities for this fee are Academic Advisement and Retention, Student Development and Career Services, and Vital Technologies.

In FY 2024-25, over \$7.3 million was allocated to provide services and student-centered activities that enrich the learning experience and foster campus engagement. The student success fee enhances the learning experience through advisement, technology infrastructure, counseling, mentorship, and other innovative programs.

Academic Advisement and Retention

Academic Affairs continues to provide critical academic advisement to assist students in understanding and adhering to university policies and procedures to make progress toward degree completion through academic advisement, mentorship, and student services.
