Application and Initial Payment

All applicants, including all financial aid recipients, are required to pay a \$40.00 non-refundable application processing fee out of pocket. - III. Licensee should note that being enrolled in less than full-time status may impact Licensee’s financial aid and will not be an approved reason to cancel the Agreement.
- IV. All assignments to a bedspace are contingent upon acceptance at Cal State LA. If the Licensee is not admitted or is disqualified between semesters, it is the Licensee’s responsibility to notify Housing immediately in writing by completing the cancellation request located on the Cal State

- LA Housing Portal.
- V. The Licensee will be charged for a bedspace and Meal Plan fees until written notification is received and approved by Housing. The Agreement may be revoked by the University if the Licensee fails to meet the above minimum requirements.

By signing this Agreement, Licensee agrees that they have been advised of potential and intermittent construction and acknowledges disturbances and disruptions (including noises, dust, periodic breaks in water or other utilities, etc.) are not grounds for termination of this Agreement.

16. Additional Policies and other Miscellaneous Terms

This Agreement is subject to the regulations contained in [Title V of the California Administrative Code \(California Code of Regulations\), Sections 42000-42103](#). Licensee agrees to comply with the Student Code of Conduct, the Housing Terms and Conditions, and Policies and Regulations within this Agreement, and the Housing Handbook and any subsequent amendments. Repair and/or construction projects may be necessary. Scheduled projects requiring entry into Licensee's room will result in the University notifying Licensee. Emergency repair will not require notification. Licensee is responsible for safeguarding their belongings.

Housing values the academic success of all Licensees. If the academic progress of a Licensee is deemed to be in jeopardy, information related to student academic performance (including grades) may be released to appropriate professional staff.

The Licensee bears sole responsibility and discretion as to the securing, protecting, and insuring against damage of their personal property. The Licensee acknowledges that the University has no insurance to cover the personal or property damage of the Licensee. It is recommended that the Licensee purchase their own renter's insurance for full protection.

Abandonment by Licensee

Except as permitted in section 14, termination of this Agreement or abandonment of the premises by Licensee shall not release Licensee from paying any obligation due to the University for so long as the University does not terminate Licensee's right to possession.

Disposition of Property

Any property of Licensee remaining on the premises after abandonment, eviction or termination of this Agreement may be placed in storage or disposed of through sales, donation, or in such manner as the University determines in its sole discretion. In the case of abandonment, the University may, at its discretion, keep or dispose of the items worth less than \$300.00 if the Licensee has not requested the return of the property within 15 days of receipt of notice (18 days if the notice is sent by mail). In cases where property has been lost or is otherwise unclaimed and is worth \$300.00 or more, the University, after three months, may sell the items at a public auction. A reasonable storage fee will be charged before the return of property. Property may be claimed by Licensee or authorized agent upon payment of storage charge in full. Any property of the Licensee remaining on the Premises may be removed and stored by the University at the expense and risk of the Licensee and will be disposed of pursuant to the laws of the State of California as outlined in Title 5, California Code of Regulations, Section 42375 (Care, Restitution, Sale or Destruction of Lost Property); and Section 42376 (Proceeds of Sale). Vacating the Housing Premises

Licensee shall vacate the Premises to which the Licensee is assigned on the expiration of the license period, or upon revocation of their license to use the facilities, or termination of this Agreement, whichever occurs first. (See "Check in/ Checkout," under Housing Terms and Conditions, and Policies and Regulations).

Any Licensee who does not vacate the Premises as required by this section shall be evicted in the manner provided by the laws of the State of California and charged a daily rate through the length of stay. The University may charge any other applicable fees or charges. The matter shall be referred to the CSU Office of General Counsel for appropriate legal action.

Any property of the Licensee remaining in the Premises may be removed and stored by the University at the expense and risk of the Licensee and will be disposed of pursuant to the laws of the State of California as outlined in Title 5, California Code of Regulation, Section 42375 (Care, Restitution, Sale or Destruction of Lost Property); and Section 42376 (Proceeds of Sale).

Right of Entry

The University shall have the right to enter the premises occupied by Licensee for the purposes of emergency, health, safety, maintenance, inspection, management and enforcement of applicable rules and regulations, or for any other lawful purpose. Housing shall give Licensees reasonable notice of intent to enter including date, approximate time and purpose unless an emergency situation has occurred and/or concern of well-being or potential of harm is present, and entry is required immediately. In non-emergency situations, Licensees shall be notified 24 to 48 hours in advance. The University shall exercise this right reasonably and with respect for the Licensee's privacy and study needs.

Communication

All Licensees are automatically enrolled in an email communication list by Housing. Email is one of the main tools that Housing uses to communicate with Licensees about many topics, including, but not limited to: general announcements, services, facilities issues, and emergency information. Licensee is responsible for monitoring their University email as the primary communication channel. Licensee will be held accountable for the information contained in all email communications from Housing and may not opt out of such email communication list.

Media & Photography

Licensee grants permission to the University, its employees, and agents, to take and use visual/audio images. Visual/audio images are any type of recording, including but not limited to photographs, digital images, drawings, renderings, voices, sounds, video recordings, audio clips or accompanying written descriptions. CSU will not materially alter the original images. Licensee agrees that CSU owns the images, and all rights related to them. The images may be used in any manner or media without notifying Licensee, such as University-sponsored websites, publications, promotions, broadcasts, advertisements, posters, and theater slides, as well as for non-University uses. Licensee waives any right to inspect or approve the finished images or any printed or electronic matter that may be used with them, or to be compensated for them.

Licensee releases CSU and its employees and agents, including any firm authorized to publish, broadcast and/or distribute a finished product containing the images, from any claims, damages or liability which

Licensee may ever have in connection with the taking or use of the images or printed material used with the images.

Commercial Solicitations

Commercial solicitations, sales, and advertising, either verbal, printed, and/or online are not permitted in the Premises, except by authorized vendors and Housing staff, and as permitted by the posting policy. This includes, but is not limited to, the residential areas, the courtyards, Dining Commons, and Premises grounds, and surrounding parking areas and sidewalks.

Non-Waiver/Waiver

The waiver of any breach of a term or condition of this Agreement shall not constitute a waiver of any subsequent breach. The waiver by the University of any breach of any term, covenant, or condition contained herein shall not be deemed to be a waiver of such term, covenant, or condition or any subsequent breach of the same or any other term, covenant, or condition contained herein. The subsequent acceptance of rent hereunder by the University shall not be deemed to be waiver of any preceding breach by Licensee of any term, covenant, or condition of this Agreement, other than the failure of Licensee to pay the particular rental so accepted, regardless of University's knowledge of such preceding breach at the time of acceptance of such rent.

Hold Harmless

Licensee agrees to indemnify and hold the University harmless from any and all claims arising from Licensee's use or occupancy or other acts that are improper, illegal or a violation of the Agreement.

Taxable Possessory Interest

It is the position of the University that this Agreement does not create a taxable possessory interest in real property. However, pursuant to Revenue and Taxation Code Section 107.6, Licensee is hereby notified that a taxing authority may take a contrary view and may assess Agreement.

Successors in Interest

The University retains the right to transfer its interest and obligations under this Agreement. The Licensee may not assign or transfer their rights or obligations under this Agreement without the written permission of the University. The Licensee may not sublicense or sublet the Premises to, or permit the occupancy of the Premises by, any other person without the written permission of the University.

Megan's Law

Notice: Pursuant to Section 290.46 of the Penal Code, information about specified registered sex offenders is made available to the public via an Internet web site maintained by the Department of Justice at www.meganslaw.ca.gov. Depending on an offender's criminal history, this information will include either the address at which the offender resides or the community of residence and zip code in which they reside.

California State University, Los Angeles is providing this notice in compliance with a legal requirement. This notice is not intended as a statement or implication that any University Premises is susceptible to the activities of or has experienced any problems with sex offenders. This notice is only intended to make the law widely known.

Eagle Alert

Licensee agrees to sign up for Eagle Alert, an alert and warning communication system designed for warning students, Licensees, staff and faculty in the event of a natural disaster or other emergency on-campus.

Community members can add cell phones with text messaging, email accounts, land lines, and TTY/TDD devices on which to be alerted about emergencies.

Census

The University is required to participate in the U.S. Census. The University may need to provide information about the Licensee in order to fulfill this requirement. The University may provide contact information for Licensee so that U.S. Census Bureau staff may contact Licensee directly.

Emergency Contact Information

Licensee agrees to provide requested emergency contact information prior to moving into the Premises when completing the application on the Housing Portal.

Missing Persons

Each Licensee is asked to identify a missing person contact and telephone number to be contacted in the event the Licensee is determined to be missing. This person may be different from the other emergency contacts.

Licensees are advised that their contact information will be registered confidentially. This information will be accessible only to authorized campus officials and may not be disclosed except to law enforcement personnel in furtherance of a missing person investigation.

The Department of Public Safety will be notified in the event a Licensee is determined to be missing. If the Licensee is under 18 and not emancipated, a parent or guardian must be notified within 24 hours of the determination that the Licensee is missing, in addition to notifying any additional contact person designated by the individual.

Campus Safety Act

The Cal State LA Department of Public Safety works hard to ensure that everyone in the Cal State LA community is aware of safety issues that may affect them. The Campus Safety Act, also known as the Jeanne Clery Act, requires universities to report annual crime statistics, provide timely warnings of serious crimes when there may be a threat to others, and to keep a public log of campus incidents. Cal State LA is in full compliance with this federal mandate, and our Safety and Security Reports are available to the entire campus community. For more on the Campus Safety Act, see the Cal State LA Department of Public Safety's website at [Campus Safety Report | Cal State LA](#).

Evacuation Assistance for Persons with Disabilities

Cal State LA is committed to ensuring the safety of all students, including those with disabilities or

temporary injuries that may impact their ability to evacuate in the event of an emergency. In collaboration with campus "Emergency Managers", Housing will work with individuals to develop personalized evacuation plans based on specific needs.

Self-Identification Requirement

Licensees who have a disability or injury that may prevent them from using stairs during an evacuation are required to notify Housing as soon as possible. This notification will allow Housing staff to work with Emergency Managers to develop a safe and effective evacuation plan tailored to the individual's needs.

Voluntary Inclusion on Assistance Lists

Licensees who require ongoing evacuation assistance will have the option to be included on an Evacuation Assistance List, which will be shared with campus Emergency Personnel to ensure help during an emergency. Inclusion on this list is voluntary but strongly encouraged for those who may need assistance.

This process is a collaborative effort between Licensees, Housing staff, and Emergency Managers to ensure that everyone is prepared in the event of an emergency. We encourage Licensees to reach out with any questions or requests for additional assistance.

Insurance

Automobile

Licensee agrees to accept financial responsibility for any loss or damage to personal property or personal vehicle belonging to Licensee and their guests and invitees that may be parked on or near the Cal State LA campus, caused by theft, fire, vandalism or any other cause. Housing assumes no liability for any such loss. It is suggested that Licensee obtain and maintain throughout the term of the Agreement a policy of automobile insurance from a recognized insurance firm, covering Licensee's liability and personal property damage (if Licensee utilizes the Campus parking lots/structures). Housing assumes no responsibility for damages to vehicles caused by leaks from pipes or from liquids seeping through floors or walls.

Renters

The University is not responsible for damage, destruction, loss, or theft of the Licensee's personal property that is or was located on the Premises at any time, including periods when the Licensee is not in occupancy or after the Agreement period has expired. The Licensee bears sole responsibility and discretion as to the securing, protecting, and insuring against damage of their personal property. The Licensee acknowledges that the University has no insurance to cover the personal or property damage of Licensee, so during the period covered by this Agreement; the University highly recommends that Licensee, at their expense, obtain and maintain throughout the term of the Agreement a policy of insurance, such as a renter's policy, from a recognized insurance firm, covering Licensee's liability and personal property damage.

17. Visitors and Guests

A visitor or guest is defined as any person who is visiting a room or apartment where they do not live. This includes other Cal State LA students and Licensees of other campus residence halls or apartments.

- I. Licensees are considered the hosts of their guests and, as such, must accompany their guests at all times while on the Premises.

- II. The exterior doors of all the residence halls are locked 24 hours a day. Visitors are only permitted to enter a building with the escort of the host. Entrance by any other means is not permitted. Uninvited guests are not welcome in the residence halls. Permitting uninvited guests into these areas is in violation of Housing security policies.
- III. Any problems created by a guest are the responsibility of the sponsoring Licensee. Licensees are expected to inform their guests of all Housing and University policies and will be held to the Student Code of Conduct and financially accountable for their guests' actions.
- IV. Unescorted individuals found on the Premises will be escorted off Premises and/or be cited by the University Police for criminal trespass.
- V. Guests must abide by all Housing and the University policies. Licensees are responsible for their guests' behavior and for any damage caused by their guests (Article 5, Section 42007 of Title 5, California Code of Regulations).

Licensees have the basic right to privacy in their assigned room. It is the responsibility of the Licensee who plans to have a guest to inform their housemates and/or roommates prior to the guest's arrival, and to gain approval from their housemates and Housing. Guests are not allowed in apartments or bedrooms between the hours of midnight–9 a.m. unless they are registered and approved in advance.

- I. All roommates must be consulted and agree to guest visitation. Although any guest can be denied permission to stay by a roommate, roommates should consider allowing reasonable accommodation to guests in promotion of a harmonious living environment.
- II. Licensees who deny their roommates permission to have a guest should have specific reasons why the guest has been denied permission to visit. Guests may not sleep in building lounges or public areas. It is a violation to knowingly have a guest in the residential community who is not approved.
- III. Licensees shall secure approval from Housing one week prior to permitting any guests to make overnight use of the Premises such as but not limited to, sleeping or shower facilities, or other facilities generally made available only to Licensees (Article 5, Section 42005 of Title 5, California Code of Regulations).
- IV. Failure by Licensee to secure approval for overnight guests shall be grounds for disciplinary action [Article 5, Section 42014 of Title five (5), California Code of Regulations] including being charged \$100 for each day that a non-approved guest resides in Licensee's apartment. A Licensee may have no more than two approved guests. The length of stay for any guest cannot exceed three (3) consecutive nights in a month and no more than nine (9) nights total per semester.
- V. Guests who have their pets with them are restricted from entering apartments, rooms, and any residential buildings. Limitations: Each Licensee is allowed a maximum of two (2) Guests.
- VI. For Housing Phase I and II, there shall be no more than eight (8) people, including Licensees, allowed in a two-bedroom apartment/patio at any given time. No more than sixteen (16) people, including Licensees, are allowed in a four (4) bedroom apartment/patio at any given time.
- VII. For GEA apartments there shall be no more than four (4) people including the Licensees in the one and two-bedroom apartments and no more than six (6) people including the Licensees in the suite style apartments.
- VIII. For South Village, there shall be no more than four (4) people in one room at any given time.
- IX. Based on prior behavior, Housing may designate any guest as a non-approved guest and restrict them from being present in all or part of the residential community. The University Police will also be notified when individuals are declared non-approved guests.

- X. Minor guests under the age of eighteen are not allowed to stay overnight on the premises.
- XI. All specific guest regulations are to be determined and mutually agreed upon by the roommates within each room/ apartment. If consensus cannot be met independently, the Resident Advisor may create a written Agreement with the roommates, which is binding and enforceable via our student conduct process.
- XII. Additional restrictions may apply during certain times of the year when heightened security is necessary to protect the Premises and its Licensees, which can include citywide events or campus events that greatly affect the Premises and surrounding area and events which create crowd control concerns. All Licensees are expected to comply with temporary policy additions during these times.

Roommate/guests concerns should be taken to your Residence Life Staff member as they can assist with many conflicts.

Appendix

Damage and Repair Sheet

Each Licensee must give reasonable care to the room/apartment, its furnishings, and common areas. Licensees are expected to maintain sanitary and safe conditions acceptable to the University. Licensees will pay for any damages to Premises (including damaged or missing furniture and appliances) willfully or negligently caused by themselves or their guest(s). If damage in common areas (hallways, elevators, etc.) cannot be traced to a specific individual or group, but was in substantial part caused by individuals, groups, or invited guests acting from within the residence community, the residents of the hall or complex will be charged collectively. Licensees may also be referred to the Housing judicial system.

When Licensees occupy the same room/apartment and responsibility for damages or loss in the room cannot be determined by Housing, the cost of damages or loss will be divided and assessed equally amongst the Licensees. Any malicious damage to the Premises' buildings, grounds, or other facilities is prohibited.

To avoid unnecessary or inaccurate damage charges, Licensees should thoroughly review the Room/Apartment Condition Report upon check-in (found under "Inspection Form" in the Housing Portal). If there is disagreement with the initial assessment of the room's condition, Licensees must note as such on the Room/Apartment Condition Report and meet with the Residence Life staff within five working days of check-in to have all copies of the Room/Apartment Condition Report amended.
