CREATING A REQUEST ON STUDENT FORMS IN
5 STEPS

1 LOG IN TO STUDENT FORMS

Link to Student Forms

Log in to Student Forms with your Cal State LA Credentials. You must do so if you have not registered with Student Forms before continuing. This one-time process matches up your personal information with the aid application we have on file for you. If you have trouble creating your account, please reference your FAFSA or Dream Act application, as the account is created based on that data.

2 SELECT MANAGE REQUEST

Click on the manage requests link to begin the process.

3 REQUEST THE DOCUMENT

Add the document you wish to request.

You can request to open an appeal or upload a specific document or close the request if you no longer wish to proceed. If you are unsure which award year to choose for a request, please confirm with your school.
