

Tony Nguyen is a Supervising Forensic Identification Specialist with a large law enforcement agency in Southern California. Since 2005, he has worked as a Crime Scene Investigator and has accumulated extensive forensic experience. Tony is actively involved in teaching and training and has been a guest speaker at numerous law enforcement agencies and forensic conferences across the United States and Mexico. Additionally, he holds certification in Crime Scene Investigation, Forensic Photography & Imaging through the International Association for Identification (IAI).

Tony is deeply engaged with the latent print and forensic photography community and is dedicated to sharing his expertise with current professionals and those aspiring to enter the field.
