The University will upload these items:

- Student Opinion Survey Summary Scores (aka Student Evaluations of Teaching)
- Peer Observations
- Previous Evaluations and Responses/Rebuttals

You will need to prepare the following for upload:

- An updated CV

(It is highly recommended that you organize your CV in the order of the main categories of evaluation:)

- Professional Librarian Responsibilities
- Currency in the Field (which can include trainings, workshops, CETL activities, professional achievements, or service to the University)

- Personal Integrative Statement: Describing your Professional Librarian Responsibilities and Currency in the Field for the entire period in the current faculty range (could be 6 years or longer.)
- Index of Materials (a simple outline listing of materials uploaded for easy reference for reviewers)

Instructions on how to Upload Materials.

Please Note: Range Elevation Reviews cover the entire time since your appointment to your current range. The Range Elevation Review does not replace the regular periodic review and if you are due for both, you must submit two separate cases according to the calendar.

Please do not make your PDF into a Portfolio PDF. Portfolio PDFs are not visible to the committees.

Naming Conventions and Uploading Files – WPAF (Interfolio)

1. All files are converted in PDF format upon upload. It is not necessary to convert MS Word files or other file types to PDFs format prior to upload. (PDF Portfolios cannot be accessed by reviewers in Interfolio.)
2. All files uploaded into Interfolio must use basic naming conventions designed to assist reviewers with identifying files.
3. Student Opinion Survey Summary Scores and Peer Observations uploaded by the University will use the following naming conventions (see examples). Please do not alter.
SOS_LASTNAME_2018-2023
PEEROBS_LASTNAME_2018-2023
4. Files that you upload will begin with the initial semester of inclusion, except for your CV and Narrative Statement. Your CV and Personal Integrative Statement should have the current term.
Examples:
F23_CV (current term and descriptor)
F23_Personal Integrative Statement (current term and descriptor)
Syllabi_2018-2023 (supplemental files such as syllabi or workshops can be combined and uploaded into one file instead of individual files)
