Submission Timelines

- For domestic travel requests, the approved Concur travel request/RFT should reach Travel Services at least 10 business days before the trip start date.
- For international travel requests, the approved international RFT should reach Travel Services at least 60 calendar days before the trip start date.

Pre-Approval to Travel

- Travelers must submit a travel request and be approved to travel prior to booking any travel arrangements (this excludes service providers, candidates, and non-employee students).
 - All *stateside* employees using *state funds* (including self-support and trust) will utilize Concur Travel Software.
 - Non-state employees (including students) will continue to use the current travel forms.
- Expected Expenses:
 - When itemizing expenses for your travel request, be sure to include all expected trip expenses (not just what you expect to pay out-of-pocket) in order to track the total business cost of the trip.
 - Attach supporting documents (Conference Information, Event Information, Letter of Invitation, Email communications)
 - Any other documents as required by your department
- Any exception to the travel policy (e.g., lodging over \$333 per night) will need to be approved by your division VP. *If your division uses an exception justification form, be sure to complete and attach the form to your travel request. If not, your budget approver will need to add the division VP to the Concur approval workflow to review your justification comment required in your Concur travel request. (see the "Hotels" section for additional details)*

Registration Fee Payment Options

- Individual GET card, if assigned
- Department P-card
- Personal card (you will be reimbursed after returning from travel, and your expense report has been processed)

- The nightly lodging rate for domestic travel may *not* exceed \$333 per night, excluding taxes and other related charges.
- If the nightly lodging rate exceeds \$333 (excluding taxes and other related charges), you will be required to include an exception justification according to your division and department requirements.
 - Travelers who attend an approved conference where the prearranged conference group/lodging rate exceeds the \$333 per night limit may stay at the conference hotel without additional approval for the prearranged conference group rate. Documentation to substantiate the prearranged conference group/lodging rate must be provided with the Travel approval packet.
