Management Option

Important Pre-requisite classes MGMT 3060, 3070 and 3080

Take MGMT 3070, MGMT 3060 and MGMT 3080 as soon as possible in your first year

Don't wait to start your option classes

Begin your required and elective option classes as soon as pre-requisites are met and work them in with your business core (this contradicts the catalog which lists MGMT courses last in the list of core courses)

Take MGMT 4500 as a required course only

MGMT 4500 is incorrectly listed as an elective in the Management option in the catalog – it is a required course and does not double count as both required and elective
