Parking and Transportation Services

(323) 343-3700 • www.calstatela.edu/police/parking

Vehicles must display a valid parking permit when parked on University property (24 hours a day, 7 days a week) unless you are parked at a meter or timed loading zone.

Parking regulations are always in effect and parking citations may be issued even during administrative holidays and semester breaks.

PARKING SERVICES

Parking and Transportation Services
 Department of Public Safety

Semester & 30-Day Permits are only available on-line at calstate-la.edu/parking. Visitor and daily parking available from the Pay-by-Phone App using codes listed on signage, or from pay stations located in designated parking lots.

This brochure provides helpful information regarding the use of your parking permit, parking regulations, and other transportation services offered by Cal State L.A. The following guidelines apply when parking on campus:

- Vehicles must be registered to a valid parking permit when parked on University property, unless you are parked in a timed loading zone.
- Parking is enforced 24 hours a day, 7 days a week.
- Parking regulations are always in effect and parking citations may be issued during administrative holidays and semester breaks.
- Unless specified, permits are not valid for overnight parking.
- Drivers entering the Cal State L.A. campus must comply with the rules and regulations set forth, pursuant to California Vehicle Code and Administrative Procedure 402.

- Lot 8
- Lot 10
- Parking Structure A (All Levels)
- Parking Structure B (B Level)
- Structure C (All Levels)
- Structure D (All Levels)
- Structure E (All Levels)

Basic Parking Rules and Regulations

The responsibility for finding a legal parking space, as well as knowing where and when a parking permit is valid, rests with the vehicle operator.

The purchase of a parking permit does not guarantee a space to park and the inability to locate a space is not considered a valid justification for violating University Parking Regulations.

Overnight parking is prohibited except in Lot 5 and Paseo Rancho Castilla east of Mariondale Avenue to Hellman Avenue bridge, with valid permit only. Overnight parking in other lots is prohibited unless authorized by University Police. Personal notes or explanations left on vehicles are not substitutes.

A parking citation may be issued without benefit of prior warning to any vehicle on University property under the following conditions:

- Parking without a permit in any designated parking space.
- Parking without properly registering the correct plate number to a valid permit.
- Parking with an invalid, expired, or revoked permit.
- Parking beyond the limit in a time-controlled zone, which is enforced 24 hours a day, 7 days a week.
- Parking in a parking space that has been created by the painting of two lines.
- Parking at any time in an undesigned area (i.e., red zones and curbs, blocking driveways, walkways, or any other unmarked place).
- Parking in a disabled stall without a valid Cal State L.A. permit and DMV placard.

To pay or contest a parking citation, scan the QR code on the citation or follow the instructions on the reverse side. To learn more about the citation appeals process, please go to: <https://www.calstatela.edu/parking/parking-citation-information>

Parking Permits

Semester and 30-day permits are available on-line through your MyCalState-LA or at calstatela.aimsparking.com

Parking permits are virtual and use the license plate number in lieu of a hangtag. All vehicles parking on campus must be registered to a valid Cal State L.A. parking permit or the purchase of a parking permit from the Pay-by-Phone app, or from a parking pay station located in parking areas. Please be sure your license plate is correct when purchasing or registering your vehicle. Vehicles with incorrect plate numbers registered are subject to citation.

Housing Parking

Housing residents needing a parking permit must purchase a Resident Parking Permit online using their parking portal. The permits are virtual and there is no physical permit to display. Parking for residents is available in Lot 5 and along Paseo Rancho Castilla, east of Mariondale and up to the Hellman Ave bridge.

Rideshare Program

Avoid driving altogether and consider alternatives to campus. To get information on ridesharing or for information on discounts for riding the bus or train, including U-Pass, contact Commuter Services at (323) 343-5277 or visit calstatela.edu/parking/transportation-services.

Walking Escort Services

Eagle Patrol offers walking safety escort services. Requests for escorts can be made 24 hours a day by calling University Police at (323) 343-3700.

EV Charging Stations

Level 2 EV stations are located in Structures A, B, C, and E as well as in Lot 3, Lot 6, and Lot 10. Level 3 EV stations are located in Structure B (Level B) and in Structure E (Level 1). All stations have time limit requirements and require a valid parking permit. For more information, contact CommuterServices@calstatela.edu

Passenger Loading and Unloading

Uber and Lyft passenger zones are located at the south end of campus across the Transit Center, at the University Student Union, and in Housing. Temporary passenger loading zones are only allowed at designated areas marked with signage. For information on discount rideshare codes, please visit: www.calstatela.edu/parking/ridesharing-apps

Inner Campus and Extended Loading permits

For access to inner campus to deliver equipment or large loads, an inner campus permit is required. Restrictions apply when entering campus with a vehicle. For more information please call (323) 343-3714. Extended loading and dock permits are available for purchase once authorized by Parking Services. To apply for either of these permits, please visit: calstate-la.edu/parking and go to Forms.

RAVE Guardian App

Use your smart phone to stay connected and stay safe on campus. By downloading the RAVE Guardian app, you will be able to directly connect to officers at the Department of Public Safety, receive campus emergency information notifications and safety advisories, and initiate timed virtual escorts. The app also features a call directory and links to other campus resources. For more information please contact Public Safety at (323) 343-3700.
