Pre-Medicine

### Administrative Positions

*July 2019-August 2023*

*Dean, School of Liberal Arts & Sciences  
University of North Texas at Dallas*

- UNT Dallas is a member of the UNT System, which is comprised of three universities and one Law School. UNT Dallas is fully accredited by the Southern Association of Colleges and Schools Commission on Colleges regional accrediting agency. UNT-Dallas has nearly 4300 students and is an MSI & HSI institution, with 85% of students coming from communities of color (53% Latinx and 32% African American), a majority of which are low-income, first-generation college students.
- The School of Liberal Arts & Sciences is the largest academic unit with 120 full-time and adjunct faculty, 5 staff and an annual operating budget of \$5.2 million; serving ~1600 students and offering 14 baccalaureate and 2 master's degrees organized into 9 departments.
- Led the development of the first 5-year strategic plan for the School through a highly consultative process involving faculty, staff and students, highlighting six key values, diversity, innovation, engagement, leadership, community and professional skills.
- Led inclusive process to develop new mission & vision statements for the School.
- UNT-Dallas recently secured \$100 million from the State of Texas to build a new Science Building, as Dean I worked closely with university & community stakeholders to plan and design the construction of the building.
- Secured an increase in the School's operating budget, including additional funding for key strategic initiatives to improve faculty mentoring, teaching & learning, and community engagement.

- Secured approval for 14 new faculty lines and 2 additional staff positions.
- Reorganized budget allocation process to enhance transparency and accountability.
- Revised the guidelines and process for annual faculty review and merit consideration to establish greater transparency and fairness.
- Established a School Reappointment, Promotion & Tenure Committee to enhance shared governance of the faculty evaluation process.
- Led revision to the guidelines for promotion and tenure.
- Established a faculty mentorship program to facilitate the growth and professional development of newly hired faculty through a supportive relationship with a colleague.
- Established a Teaching and Learning Collaborative to foster dynamic classroom practices that increase student engagement, retention, and success.
- Established guidelines for Program Coordinator duties and responsibilities, and successfully advocated for salary augmentations for faculty serving as coordinators.
- Revised the course scheduling process to provide greater efficiency and resource allocation to better serve program needs and student demand.
- Established guidelines and policies for the allocation of faculty teaching overloads to provide transparency and fairness across faculty rank and departments.
- Merged the Sociology and Criminal Justice Programs to enhance curricular synergies and improve resource efficiency.
- Led the discussions and development of the first joint, accelerated 3+2 BA/MS program between the BA in Political Science and MS in Public Leadership.
- Worked closely with faculty to develop a BA in Justice and Social Policy, a joint program between Sociology and Criminal Justice.
- Worked closely with faculty to develop a BA in Applied English, the first humanities degree offered at UNT-Dallas.
- With the assistance of faculty and staff, successfully managed the rapid transition to virtual instruction during the COVID pandemic.
- Established the School of Liberal Arts & Sciences Critical Issues Forum to highlight important issues related to STEM, social & behavioral sciences, public health, and the humanities.

***July 2014-July 2019 Associate Dean,***

***March-July 2018 Interim Dean,***

***College of Arts, Humanities & Social Sciences***

***Millersville University of Pennsylvania***

- Millersville University is a regional comprehensive institution with close to 8,000 students, member of the Pennsylvania State System of Higher Education (PASSHE), and collective bargaining university. The institution is classified as a Masters granting institution with selected applied doctoral programs.
- The College of Arts, Humanities & Social Sciences had 116 permanent faculty, 80 temporary faculty, 16 staff, 2,500 students, and a non-personnel operating budget of \$3.5 million.
- Worked with Department of Music and Office of Advancement to secure a \$2.5 million gift to name the Tell School of Music. At the time, it was the largest gift

ever given to the university.

- Managed the course scheduling process for 11 departments and 5 interdisciplinary programs.
- Effectively managed FTE allocation within available resources.
- Managed the performance evaluation process for over 90 adjunct faculty.
- Worked closely with department chairs to successfully complete the 5-year program reviews.
- Assisted in developing the accreditation self-study for ACBSP for the Business Department.
- Developed resource analyses for curricular proposals in a timely manner.
- Assisted in the development of the B.S. in Music-Business-Technology.
- Assisted in the development of the B.A. in Entertainment Technology.
- Assisted in the development of several multidisciplinary programs in sports journalism, science writing, and entrepreneurship.
- Managed the hiring of adjunct faculty successfully integrating the new clearance requirements and the electronic *PeopleAdmin* application process.
- Worked closely with interdisciplinary program directors to improve strategic planning and learning outcomes assessment for those programs.
- Worked closely with department chairs and/or assessment coordinators to provide feedback on student learning outcomes assessment plans and reports.
- Member of the Working Group on Standards 3 and 5 for the Middle States Re-Accreditation Process.

***January 2013-July 2014      Director, Cultural and Global Studies Programs  
College of Humanities and Social & Behavioral Sciences  
Central Michigan University***

- More than tripled the number of students in the certificate programs.
- Developed partnership with the Office of Institutional Diversity to require a Cultural and Global Studies certificate as part of the academic protocol for the Multicultural Advancement and Lloyd M. Cofer Scholars.
- Successfully led the development and approval of a learner-centered assessment plan.
- Successfully coordinated the approval of the Cultural and Global Studies major and minor through the curricular approval process.
- Coordinated the development of social media presence for the program.
- Worked closely with the College's development officer to promote fundraising to support study-abroad for students in the program.
- Promoted curricular innovation and cross-college cooperation by working to add a Geography based certificate.
- Initiated the development of a Human Rights Studies certificate.
- Initiated broad consultation with Colleges across the University to promote the program among majors in Business Administration and Education.

***July 2009-January 2013      Chairperson, Department of Political Science  
Central Michigan University***

- Central Michigan University (CMU) is a regional comprehensive institution with nearly 18,000 students, located in Mount Pleasant, Michigan, classified as an R2

(doctoral with high research activity), and a collective bargaining university.

- The Department of Political Science had 16 tenured/tenure-track faculty, 4 full-time and 2 part-time adjuncts, plus 2 staff persons, one serving as executive secretary and another as assistant director of graduate and off-campus programs.
- The department generated over \$8.5 million in tuition revenue from on- and off-campus programs, and expenditures of over \$3.5 million.
- Successfully advocated for substantial profit sharing from the Department's off-campus and on-line participation, increasing discretionary funds by \$400,000 in three years.
- Led a successful effort to develop on-line political science major.
- Encouraged and promoted an inclusive and transparent leadership style which advanced the department's democratic culture.
- Promoted a balanced distribution of resources among the graduate and undergraduate programs.
- Led completion of the Department's seven-year Program Review.
- Supervised the Department's efforts to respond to Academic Program Prioritization. These efforts led to our MPA and MA programs being categorized in the top categories for future growth and funding.
- Advocated successfully for adequate FTE and S&E resources. S&E resources increased from \$28,000 to over \$75,000.
- Supervised, with the assistance of the Department's Personnel Committee, two tenure-track faculty searches, and two post-doc searches.
- Developed, in consultation with the Department's faculty, a plan for using profits from off-campus and on-line participation and promoted its implementation.
- Worked with Public Administration faculty to successfully achieve NASPAA accreditation of the Masters in Public Administration.
- Increased funding for international recruitment of graduate students.
- Supported the development of a Washington D.C. study and internship program for undergraduate students through The Washington Center.
- Promoted substantial professional development funding for faculty, providing up to \$2000/AY/faculty.
- Supported the development of an international research network between CMU and universities in Italy and Canada in comparative public administration, which led to two successful international conferences in Italy and at CMU, and which continues to promote international opportunities for graduate students and faculty.
