### **California State University, Fullerton (CSUF)**

#### **Inaugural Diversity and Inclusion Fellow, Division of Human Resources, Diversity, and Inclusion, 2018-19.**

Responsibilities and major accomplishments:

- Worked collaboratively with the Office of Diversity and Equity in the Division of Human Resources, Diversity, and Inclusion and with the Office of the Provost and Vice President of Academic Affairs to address the recruitment, hiring, and retention of diverse faculty which is identified as a goal in both the previous and current university strategic plans.
- Co-designed and collaborated on a study and analysis of faculty recruitment and hiring over the five-year period of the CSUF's first strategic plan (2013-18). The study included the examination of the composition of faculty search committees and the profile of candidates at various stages of the search process.
- Co-led the development of strategies and best practices for the recruitment, hiring, and retention of diverse faculty identified as a goal in the current strategic plan (2018-2023).
- Participated in a California State University (CSU) Race Equity Consortium that included groups of administrators, faculty and staff from California State Polytechnic University, Pomona, CSU Sacramento, and CSU San Marcos.
- Participated in and completed an eight-week Equity Institute administered by the University of Southern California Race and Equity Center.

#### **Acting Chair, Department of Chicana/o Studies, 2017- 2018**

Responsibilities and major accomplishments:

- Led a unit including 10 full-time equivalent faculty (approximately five full-time tenured/tenure-track faculty and about a dozen part-time faculty), two full-time staff, and approximately 225 full-time equivalent students (FTES).

- Responsibilities included departmental curriculum planning and implementation, course scheduling, enrollment management, budget planning and management, faculty and staff support and development, RTP and personnel activities, student advising, and student success initiatives.
- Led department efforts to respond to CSU Chancellor's Office Executive Order 1100 pertaining to general education. Approximately 90 percent of department FTES resulted from enrollment in general education courses. These efforts involved curricular and enrollment planning and engagement in collegial governance and consultation outside of the department including with the Academic Senate, Academic Programs, and Office of the Provost.
- Served as one of two primary advisors in the department. Developed and implemented a new advising model more responsive to student needs and better aligned with department and college student success goals and initiatives.
- Enhanced student success efforts including the development of a department student success plan and participation in collegial governance activities across departments and units within the college and across the university to promote effectiveness and efficiency through alignment and coordination of department student success activities with college and university initiatives and services.

### **Interim Faculty Athletics Representative, Spring 2016**

Responsibilities and major accomplishments:

- Faculty representative to the Department of Intercollegiate Athletics appointed by and reporting to the President. At CSUF, Athletics is housed within the Division of Student Affairs. Worked closely with the Director of Athletics and the Athletics administrative team, the Office of Vice President and other units in Student Affairs, and the Office of the President.
- Participated in weekly Athletics administrative team meetings and bimonthly Coaches meetings.
- Worked with Athletics Academic Services to develop and implement academic support and co-curricular programming for student-athletes. This included the development and implementation of a pilot program for faculty advising and mentoring.
- Worked closely with the Athletics Compliance Office on various mandated academic monitoring and reporting requirements. Served as a proxy for the President in the review and approval of reporting requirements and documentation to various entities including the CSU Chancellor's Office, Big West Conference, and NCAA.

- Served as an at-large faculty advisor to student-athletes. Included in this particular aspect of the role was regular meetings with student-athletes on an individual and group or team basis.
- Met regularly with coaches to discuss academic and co-curricular efforts for student-athletes and to discuss mechanisms for increasing faculty engagement with and mentoring of student-athletes.
- Served as the faculty representative to the Big West Conference and the NCAA.

### **Interim Assistant Vice President, Institutional Research and Analytical Studies, 2015**

Responsibilities and major accomplishments:

- Led a team of seven professional staff in the Office of the Provost and Vice President for Academic Affairs providing institutional data analysis and usage efforts for strategic initiatives and university-wide planning. Key university activities and initiatives supported in this role included strategic enrollment management, budgeting and resource allocation, WASC and programmatic accreditation, student success, advising, curriculum planning, course scheduling, program assessment, and faculty recruitment and hiring.
- Served as a member of the Provost's Academic Cabinet and participated in bimonthly Academic Deans Council meetings.
- Co-led enrollment management efforts in collaboration with colleges and units in Academic and Student Affairs. Enrollment management related efforts included university-wide and college-based enrollment targets and related issues pertaining to budget, outreach and admissions, curriculum planning and course scheduling, and faculty workload.
- Engaged collaboratively with the division of Administration and Finance and with the Academic Affairs finance team on budget, planning, and resource allocation implications arising from enrollment management activities and trends.
- Partnered with colleges and units in Academic Affairs and Student Affairs to support WASC accreditation reporting through data analysis and summarization for a mid-term progress report submitted in spring 2015. Also, provided data, analytics, and consultation for college- and program-level accreditation efforts including the College of Education and the School of Nursing.

- Collaborated with Academic Programs and other campus units to support assessment and educational effectiveness across the university. Pertinent activities included data analysis and dissemination to academic departments and programs along with participation on the university Assessment and Educational Effectiveness Committee.
- Collaborated with colleges and units in Academic Affairs and with the divisions of Student Affairs, and Information Technology to provide data and data analysis to support student success initiatives. Particular engagement and consultation with deans, associate deans, department chairs, and advisors occurred to support unit-based student success teams and unit-specific efforts.
- Co-led efforts with partners in the Division of Information Technology to promote the usage of data and advising tools to promote student success. Data analytic and advising platforms included internally developed CSUF and EAB Student Success Dashboards. Promoted the broader and targeted use of dashboards and data visualization tools to support student success efforts. Student success efforts focused on strategic plan goals to increase retention, persistence, and graduation rates, and to reduce equity gaps.
- Worked with the Office of the President, University Advancement, Student Affairs, and colleges and units in Academic Affairs to support for development, grant-making, and community and government relations efforts at the university. This included providing data, data analysis, and reports for various units and engaging in regular consultation with units across the university.
- Collaborated with the Division of Human Resources, Diversity, and Inclusion and consulted with colleges and units in Academic Affairs to identify data trends and needs in regard to the recruitment, hiring, and retention of faculty. Efforts in this area emphasized the recruitment and retention of high-quality faculty and staff in accordance with a goal of the inaugural university strategic plan (2013-18).
- Oversight of and responsibility for various university data reporting requirements including to the California State University Chancellor's Office, federal and other state agencies, and other external agencies and organizations. Engagement and consultation with the Office of the President and other university divisions including University Advancement and Student Affairs regularly occurred to ensure the accuracy and consistency of university data and information being communicated, reported, and shared.
- Participated in collegial governance through representation on campus-wide committees and initiatives including the Strategic Enrollment Management Committee (and related sub-committees), Student Success Steering Committee, WASC Accreditation Interim Report Committee, Assessment and Educational Effectiveness

Committee, International Education Advisory Board, and the Freshman Programs (now FYE) Advisory Board.

### **Interim Associate Vice President, Student Affairs, 2014**

Responsibilities and major accomplishments:

- Led units consisting of more than 100 managers and professional staff from multiple collective bargaining units. Units included Educational Partnerships, Financial Aid, Freshman Programs (now First-Year Experience), Housing and Residential Education, and Outreach and New Student and Parent Programs. The combined operating budget of these units was approximately 30 million dollars.
- Oversight of Educational Partnerships including Upward Bound, GEAR UP, McNair Scholars, Talent Search and other K-12 and community partnerships. Key accomplishments for this area included submission of a recently funded GEAR UP proposal and the search, hiring, and onboarding of a new McNair Scholars director.
- Oversight of the Office of Financial Aid and the distribution of over \$130 million to more than 25,000 students. More than 40 percent of CSUF undergraduates qualify for Pell Grants. Key Financial Aid highlights included leadership and support for the implementation of new financial aid programs including the California Middle Class Scholarship and the California Dream Act. Also co-led collaborative efforts between Financial Aid and Student Financial Services in the Division of Administration and Finance resulting in the successful completion of an A-133 audit that yielded no findings.
- Oversight of Housing and Residential Life with a budget of \$25 million and university housing for over 1,800 students. Highlights for Housing and Residential Life included a housing demand study in collaboration with the Division of Administration and Finance and the development and implementation of co-curricular programming for student residents including themed housing areas in partnership with academic colleges.
- Oversight of University Outreach and New Student and Parent Programs. Key accomplishments in this area included completion of the first phase of the re-engineering of new student orientation for over 4,000 first-time and 4,500 transfer students and the transition of Parent Programs to University Advancement.
- Oversight of Freshman Programs in partnership with Academic Programs providing academic support and co-curricular opportunities for approximately 500 students. Also, collaborated with Academic Programs to develop and launch GE Pathways, a themed first-year experience for an additional 500 students.

- Completed service as faculty co-chair of the university Graduation Initiative Committee and as a member of the Closing the (Achievement) Gap Strategic Planning Task Force.

**Co-Chair, Graduation Initiative Committee (GIC), 2012-2014.**

- Co-led a university-wide committee of faculty, administrators, staff, and students. Committee members represented all academic colleges and divisions of the university. The committee's charge was to develop and implement a plan to address student retention, persistence, and graduation rates along with equity gaps.
- Co-led the development of a plan to comprehensively disseminate and communicate best practices and relevant data to the university community. Engaged in collegial consultation with the Office of the President, the University Cabinet, the Academic Dean's Council, and the Academic Senate regarding the proposed plan and timeline for its implementation.
- Co-developed a presentation with the committee Co-Chair, Dr. Lynn Sargeant, based upon the committee's work and plan. In addition, collaborated with the Divisions of Information Technology and University Advancement to develop a website, a multi-platform App, and instructional materials. Delivered more than two dozen presentations to faculty, staff, and administrators across the CSUF campus.
- Participated in the development of the university's first strategic plan. Focused on the goal and strategies pertaining to retention, persistence, and graduation rates along with equity gaps. Also, served on the university strategic plan task force focused on addressing equity gaps.

**San Diego State University (SDSU)**

**Director, Bilingual Single Subject Credential Program, 2005-2008**

Responsibilities and major accomplishments:

- Oversight and coordination of all aspects of the Bilingual Single Subject Credential Program including course scheduling and staffing in consultation with the department chair and faculty. Responsible for the recruitment, assignment, and oversight of student teaching supervisors and the placement of student teachers at partner schools with cooperating teachers. Provided oversight and leadership for overall program development. Responsible for program assessment including the implementation and completion of teacher performance assessments along with student teaching evaluations. Centrally participated in accreditation activities.

- Responsible for the development of and identification of bilingual student teaching placements. Engaged in developing relationships and partnerships with urban and suburban schools across three large school districts (San Diego City Schools (SDCS), Sweetwater Union High School District (SUHSD), and Grossmont Union High School District (GUHSD)). All school districts were ethnically, linguistically, and socioeconomically diverse and served a large percentage of underrepresented students. Worked closely with school and district level personnel such as teachers, principals, assistant principals, superintendents, assistant superintendents, and directors.
- Developed and implemented a new partnership with GUHSD (serving eastern San Diego County) to meet the educational needs of the district's growing number of English learners. Related activities included significant engagement and collaboration with the superintendent, the school board, district level administrators, school site principals and teachers to develop the partnership including a formal memorandum of understanding between GUHSD and SDSU.
- Further developed and expanded an existing partnership with SUHSD (serving southern San Diego County) to provide high-quality student teaching opportunities for bilingual student teachers. Expansion of the partnership resulted in almost double the number of participating school sites and bilingual student teaching opportunities.
- Continued to serve as the faculty representative on the Compact for Success Steering Committee. Engaged purposefully and collaboratively to further develop and implement various aspects of the Compact for Success, an innovative partnership between SDSU and SUHSD, aimed at promoting educational access, equity, and success for students from underrepresented communities. The Compact for Success included the development and implementation of curricular, parent engagement, philanthropic, and other programmatic components at both the school district and university.

**Program Coordinator, Single Subject Teaching Credential Partnership with SUHSD, 1998-2003**

Responsibilities and major accomplishments:

- Oversight and coordination of all aspects of the (CLAD) Single Subject Credential Partnership with the Sweetwater Union High School District (SUHSD). Responsible for the recruitment, assignment, and oversight of student teaching supervisors and the placement of student teachers at partner schools with cooperating teachers. Provided oversight and leadership for overall program development. Responsible for program assessment including the implementation and completion of teacher performance assessments along with student teaching evaluations. Centrally participated in accreditation activities.

- Responsible for the development of and identification of student teaching placements. Engaged in developing relationships and partnerships with almost two-dozen schools in the SUHSD. Worked closely with teachers and administrators at the school and district level such as principals, assistant principals, superintendents, assistant superintendents, and directors.
- Beginning in 2000 served as the faculty representative on the Compact for Success Steering Committee and participated in the creation of the partnership between SDSU and the SUHSD. The Compact for Success is an innovative partnership aimed at promoting educational access, equity, and success for students from underrepresented communities. The Compact for Success included the development and implementation of curricular, parent engagement, and philanthropic components at both the school district and university. Worked closely with steering committee members, university, and school district personnel to develop the memorandum of understanding between SDSU and SUHSD and to plan and implement the initial aspects of the partnership.
