**Dean Cheryl Ney**

## **New Year New News**

I hope you all enjoyed a wonderful holiday season! Now it's time to transition to a new calendar year, our first spring semester, and the opportunity to move into a future oriented frame of thinking for the CCOE. This edition of the CCOE bulletin will remind you of some of the activities at the end of fall semester, and also give you a peek at what's ahead for spring and beyond.

By now the news that I have accepted the Provost's offer to move from interim to serving as Dean in a longer term capacity has reached you. Getting to know all of you in the CCOE, many of our educational partners, and understanding better the mission of educator preparation and the needs of children, youth, and families in our region, truly inspired me to want to continue our work together. I look forward to collaborating with all of you and our education partners in a more sustained way to see a dramatic impact on educational attainment and our mutual transformation, especially in these uncertain times! More on this soon.

Enjoy the waning days of the winter intersession!

Happy New Year!

## Cal State LA Announces Ney as CCOE Dean

On January 5, 2017, Dr. Lynn Mahoney, Cal State LA Provost and Vice President for Academic Affairs, announced that after serving for more than a year in an interim capacity, Dr. Cheryl Ney will be named dean of the Charter College of Education effective February 1.

Dean Ney has served Cal State LA admirably in several roles, joining the university first in 2009 as Associate Vice President and Dean of Graduate Studies, and also as Associate Provost and Interim Provost. Under her leadership, the campus received WASC re-accreditation, converted to semesters, and successfully met ambitious graduation rate goals established by the CSU in 2010. ## CCOE Awarded Grant to Help Ease Teacher Shortage

In early December, the Commission on Teacher Credentialing announced that the CCOE has been awarded a \$250,000 grant to develop and implement Four-Year Integrated Programs Leading to a Baccalaureate Degree and Teaching Credential. Dr. Andrea Zetlin, President's Distinguished Professor, Division of Special Education and Counseling, was part of the CCOE team that applied for the grant and will lead the project. The programs supported by the grant are aimed at easing a statewide shortage of teachers.

The purpose of this grant is to develop a plan for the implementation of a 4-Year Integrated Teacher Preparation Program (ITPP). Students enrolled in this program will be able to earn within four years, a BA degree and the Multiple Subject and Education Specialist (Mild/Moderate Disabilities) Preliminary Teaching Credentials as well as the option of obtaining Bilingual Authorization.

The plan will create another option of the CTC approved BA in Urban Learning Integrated Undergraduate Teacher Preparation major that accelerates the program so students can complete both the BA degree and two preliminary credentials in four years in a residency teacher preparation program hosted at two LAUSD elementary clinical school sites.
