## GRADUATION APPLICATION • GRADUATE & DOCTORATE

The **Graduation Application** is used by the student to notify the university that they are ready to complete their degree program. All coursework for the degree program must be completed prior to the award date (end of graduation term). The student’s record may not be altered following the awarding of the degree so it is critical that the **Graduation Application** be accurate at the time of filing.

A **Graduation Application** is filed **once** for a degree program. The student pays a \$20 application and \$10 diploma fee (\$30 total) at the time of filing. Once the **Graduation Application** is filed it may be updated (e.g. change term, major, option, etc.) by using the **Request to Change Graduation Term** form and paying a \$25 late filing fee. The fee must be paid before the selected term ends.

### Graduation Application Filing Deadlines

## Additional Instructions and Information

### Selecting a Graduation Term

- Take care when selecting your graduation term. Make an appointment and meet with an academic advisor if you are unsure as to when you may be eligible to graduate. You will not be eligible to enroll in any terms occurring after your declared graduation date until you file a **Request to Change Graduation Term** form and pay the \$25 late filing fee. The form and fee must be submitted and paid before the selected term ends.
- It is the student's responsibility to notify the university if they are delaying their graduation. The **Graduation Application** is only reviewed at the end of the term for which it is filed unless a **Request to Change Graduation Term** form and \$25 late filing fee are submitted. The form and fee must be submitted and paid before the selected term ends.

### Transcripts from other institutions

If official transcripts showing final grades are required from other institutions, these must be submitted to the Admissions Office (Student Services Bldg. 1st Fl., Lobby). Be sure to follow up with your academic advisor. Course Substitutions require the approval of the academic department.

### Incomplete Grades

An Incomplete that is not removed before the degree is awarded will be charged as an 'F' in the grade point average calculations. Once your degree has been awarded, all coursework leading up to the degree cannot be changed for any reason.

### Diploma Name and Diploma Address

- Please ensure the proper presentation of your name for your printed diploma and the commencement bulletin. Submit updates to your name using the **Bio/Demo (Name Change)** form available online to Records Office: <http://www.calstatela.edu/registrar/forms>
- Clearly indicate special marks (such as accent marks, hyphenations, capitalization, etc.) in the name section of the **Graduation Application**.
- Navigate to **Campus Personal Information** on your GET profile and update your diploma mailing address and preferred email address.

### When to expect the diploma

- Grades are assigned by the faculty member and submitted to the Records Office a week after the end of final examination week. You will receive your diploma by mail after official certification that you have successfully completed all degree requirements. Please allow up to 4 weeks for our office to review ALL applicants individually.
- Your diploma will not be issued if you have any outstanding Financial Holds.
- After your degree is awarded, track the progress of your diploma using the following link:
  - <https://www.michaelsutter.com/calstatela>

### Commencement

Formal Commencement Ceremonies occur once a year at the end of the Spring Semester. **Participation in ceremonies is not confirmation of an awarded degree.** Please visit the Cal State LA Commencement homepage for ceremony details:

- <http://www.calstatela.edu/commencement>
