INTERESTED IN A ROLE IN EDUCATION?
Alpha Public Schools is seeking talented individuals to join our team for 2021-2022!

Together, we will ensure that all of our scholars develop the academic skills and leadership habits required to succeed in college and live with integrity. Join our passionate team serving families in the East San Jose community.

WHO WE ARE

Alpha Public Schools is a small public charter school network serving scholars and families on the East Side of San Jose. Alpha was founded 11 years ago after a group of parents from the East San Jose community came together seeking better educational opportunities for their scholars. Since our founding, we have grown to serve scholars in grades TK-12 across four campuses.

WHO WE ARE LOOKING FOR

We are seeking passionate individuals who believe that all students can learn, that our scholars belong in college, and that student growth is a reflection of the teacher’s practice. We are looking for educators who are reflective in their practice and are willing to engage in conversations around educational equity and inclusivity. We’re committed to finding educators who value and celebrate the diverse experiences of our scholars and their families, and who care deeply about addressing the inequities that exist in education.
