Announces teacher vacancies for the 2021-22 school year for:

❖ Special Education - RSP

The Math, Science, and Technology Magnet Academy (MSTMA) is located in the heart of Boyle Heights on the iconic Roosevelt High School campus. MSTMA has received several state and national recognitions, most recently the California Gold Ribbon and the Title I Academic Achievement Award.

Preferred Qualifications:
- Eager to grow professionally with a dynamic staff
- Warm, energetic, flexible, and inspired
- Work collaboratively with all stakeholders (teachers, parents, support staff, community partners) with a spirit of building a team
- Welcoming of student, teachers, faculty, staff, parents, and observers
- Proficient in Welligent
- Have a passion for working with students and families in the RSP program
- Knowledge of writing IEPs and facilitating IEP meetings

Required Qualifications:
- Current LAUSD Teachers or non-LAUSD teachers who have completed the District’s Teacher Selection Process
- Must hold a valid Preliminary or Clear California Credential in special education.

Application Procedure:
To be considered for this position, the candidates must submit a resume (including employee number if a current employee, a letter describing qualifications for this position and the names and contact information of three references (including the current supervisor). Candidates are advised that meeting the minimum requirements does not assure an invitation to interview.
