

## TAKE CONTROL OF CREDIT: LEARN THE BASICS OF MANAGING YOUR DEBT

Learn about credit scores and how to build a strong credit profile. Good credit habits and ways to build better credit options are covered by our two presenters, Dr. Porschia Nkansa, Accounting Department and Dr. Charles Danso, Financial, Law & Real Estate, California State University, Los Angeles. Take the next step to financial empowerment and learn about credit.

*We've changed the time to 3:15 and shortened the sessions to better work around your class schedules.*

### Workshop Takeaways:

- Learn about credit reporting agencies and credit management
- How to build good credit habits to increase credit scores
- Credit score resources
- How good credit habits affect credit options
