*Math 1081 and MATH 1085: not part of the degree program but prerequisites for calculus.

Transfer students should see advisor to determine best Math pathway for completion of degree requirements.

** US Constitution/CA/Local Government. AP scores only give credit for the US Constitution part of this GE requirement; POLS 1000 fulfills all of the 3 parts of AM INST #2.

For BIOL UD ELECTIVES: 14 units must be UD BIOL courses, while 7 additional units can be UD BIOL courses or non-BIOL approved courses.
