Use GET to drop | Instructors may drop any officially enrolled student from their course section if it is determined that the student does not meet the course prerequisite(s).  
Instructors may drop any officially enrolled student that fails to attend the first class meeting. **Non-attendance, however, does not mean the student is withdrawn from the class. It is the student’s responsibility to drop all classes in which they are officially enrolled.** |

| DROP PERIOD (“W” drop) | July 2 – August 8  
**“W” Drop Period** | Drops permitted only for serious and compelling reasons as specified by the Chancellor of the CSU. Drop requests must be accompanied by official verification to instructor or dept/div chair of compelling circumstances. Students should be prepared to provide additional information; in some cases a history of previous withdrawal will be a factor in the decision. The following are not considered serious and compelling reasons: nonattendance; poor performance or grades; misjudgment of level of class work; failure to complete assignments or take a test; dissatisfaction with class materials, instructional methods, or instructor; participation in social activities; or simple lack of motivation.  
Beginning Fall 2009, undergraduate students will be limited to no more than 28 quarter-units of “W” grades. Grades of “W” assigned prior to Fall 2009 will not apply to the 28 unit limit. |

| EMERGENCY WITHDRAWAL | August 9 – 29 | Policy above regarding serious and compelling reasons applies. Withdrawal during final three weeks of a quarter usually **involves total withdrawal from all classes except that Credit (CR) or an Incomplete (In) may be assigned for classes in which student has completed sufficient work to permit an evaluation to be made.** |
