Major \_\_\_\_\_

Minor Catalog Year \_\_\_\_\_

A minor consists of a formal aggregate of courses totaling fifteen or more units. At least six units must be upper division and taken in residence at Cal State L.A. A minimum C (2.0) average is required in all courses taken to complete the minor program. The minor will be noted on the student's transcript if the individual program has been approved by the offering department/division/school and is completed at the same time as or prior to the work for the degree itself. A minor may not be taken in the same subject as the major.

This worksheet is intended for supplemental use only. The University will use your CSU Academic Advisement Report (CAAR) to track all your graduation requirements, including those for the minor. Please continue to check your CAAR [on your GET Student Center] for accuracy.
