Additional Information:

Housing and Residence Life Policy

California State University, Los Angeles, respects the right of the property owners to select their tenants from among the students who apply. However, it is a policy of the University to maintain a non-discriminatory list of off-campus housing for the campus community. This policy is consistent with the State and Federal Laws which stipulate that state universities may not become a party to any agreement, arrangement, or plan which restricts services because of race, color, religion, sex, sexual orientation, national origin, age, handicap or any other classification that precludes a person from consideration as an individual. Your listing with the University of available housing facilities and your signature on this form indicates your willingness to comply with the above stated policy. Evidence of a property owner's refusal to comply with the above non-discrimination statement will result in the listing being removed from our files.

Please read and sign this policy agreement and return it to us by email, fax or in person. Your listing will be on our website for eight weeks. Inform the Housing and Residence Life Office when your property has been rented so we can remove the listing. If we do not hear from you, we will remove your property from our website after eight weeks. If at that time you want it posted again, you must resubmit an Off-Campus Rental Form to our office.
