Face Covering

The State of California is now mandating the use of face masks. As we continue to practice social distancing, please remember to wear a mask when in public, including when you are walking through the Housing community. Do not share masks with other students and continue to wash your hands for at least 20 seconds, use hand sanitizer, keep six feet between you and others, avoid touching your face and mouth and stay home as much as possible.

Safe Practices

The State of California is experiencing a rise in COVID-19 cases. We know this is a difficult time and we are weary of social distancing and isolation. With this rise in cases, it is important that we all continue to practice the protocols that have been in place since March. Please do not frequent places where social gatherings are taking place, including restaurants, beaches and parks. Please refrain from nonessential travel as other areas are experiencing more cases as well. Please stay safe but reach out to Housing staff if you have any concerns. If you are not feeling well, please contact the Student Health Center (323-343-3300) or your medical practitioner to discuss your symptoms.

Guest Policy

To promote social distancing as a precaution to reduce the spread of coronavirus, Housing and Residence Life has revised the guest policy to comply with guidance from the California Department of Public Health and the University. Guests are not allowed in the housing community and inside individual apartments. Housing and Residence Life has a priority to support the well-being of our residential students and staff, therefore we have suspended day and overnight visitation privileges until further notice. During this time, we ask that you do not entertain guests in your apartments and in the residential community including other Cal State LA students.

Community Safety Over the Summer

With fewer residents on campus, keep in mind the following safety tips to prevent theft and keep yourself safe:

- Make sure the door to your apartment is locked at all times.
- Keep your windows and patio door closed and locked, especially if you are on the first floor, even when you are home.
- Don't let anyone into your apartment who you don't know.
- Keep your keys on you at all times. If you lose your keys, report it immediately to the Office of Housing and Residence Life in order to have the lock changed.
- Be smart with your car. Always keep it locked. If you don't drive it every day, check on it periodically and move it occasionally so it does not appear abandoned.
- Always walk with others. At night, when on campus, call the campus escort at 323-343-3700.
- Add emergency numbers to your cell phone: Campus Police (323) 343-3700 and the RA on Duty (323) 343-4807. Remember, 9-1-1 connects you to the Highway Patrol. Use this if you are away from campus. If you are on or near campus, use the number for Campus Police for faster response.
- Put your credit-card companies' phone numbers in your cell phone. If your wallet is stolen, you'll need the numbers to cancel your credit cards.
