Nuts & Bolts

Move-Out Day Is May 19! Are You Ready?
The end of the spring semester is just around the corner, which means you must start preparing to move out before 2 p.m. on Saturday, May 19. Preparing for a successful move-out requires planning and having the right information. Please take the time to read the Spring Move-Out: Closing Information that will assist you in your move-out process.

Need To Stay Beyond May 19?
The deadline to submit a request to stay beyond 2 p.m. on May 19 was due Monday, May 7. If you missed the deadline and are graduating, working commencement or have an extenuating circumstance, you may submit the online Stay Over Request Form. All requests will be reviewed for consideration, but approvals are not guaranteed. See “How to Request an Extension” on the Spring Move-Out: Closing Information.

Mail Delivery: Change Your Address On GET And With Our Office
If you don’t change your address, we’ll return your mail to sender. Make sure to do the following:
- Change your mailing address on GET.
- Update your mailing address with family, friends and vendors who send you paychecks, bills, magazine, packages, etc. It can take several weeks before vendors update their records, so contact them now.
- Fill out a Mail Forwarding Request Form. We’ll forward first-class mail only for four weeks after you move out. Do not submit an Address Change Form with the Post Office.

Last Day To Receive Packages: May 14
If you are ordering an item online, make sure your item will be delivered before May 14. Once you check out, any packages will be returned to sender.

You Can Still Live On Campus This Summer
The application to live on campus for the summer is available online. Before applying, please read important information about the Summer 2018 Housing Process on our website.

Limited Financial Aid is available for the summer. Check out their website for more information.
Donate to the Cal State LA Food Pantry
Instead of throwing out canned and non-perishable food, put them in the boxes in front of the housing office and the Phase I Community Center. Everything collected will be donated to the Cal State LA Food Pantry.

Donate Clothing, Bedding and Other Cloth Items
Help the environment by recycling your old clothes, shoes, beddings, backpacks, etc. USAgain is a textile recycling leader that can use your items regardless of their condition! Put them in the white and green USAgain bins located in Phase I, II and GEA.

Put Electronics In E-Waste Bins
Please place any electronics you don’t want in the e-waste bins in Phase I and II. Help Cal State LA go green by not putting electronics in the trash.

Building 2 Laundry Room Now Open
The laundry room in Building 2 is now open. Thank you for your patience as we repaired and renovated the laundry room.
