The supervisor and the employee should meet to discuss items 1 through 3 on the employee's first day of appointment, promotion, or reassignment. Employees shall be informed of the contents of the University's Chemical Hygiene Plan and Hazard Management Program and their appendices by directing them to the RMEHS website or contacting the RMEHS Office located in Corporation Yard 244, at (323) 343-3531.

<tbody>
<tr>
<td>Employees shall be informed of all applicable requirements of this checklist:</td>
</tr>
</tbody>
</table>

1. **General Safety Orientation**
   - Reporting an unsafe condition.
   - Location of emergency devices (phone, alarms, fire extinguishers, shutoffs, etc.).
   - Identification of evacuation procedures including primary/secondary evacuation routes, exterior assembly areas and shutdown procedures when leaving.
   - Appropriate and **safe laboratory work practices**.
   - Review of University Emergency Action Plan
   - Off-hour emergency contacts/protocols.

2. **Safety Procedures**
   - Location and identity of chemical substances in the laboratory.
   - Presence of physical or chemical hazards related to hazardous substances in the work area.
   - Never work along in the Lab without notifying Public Safety at ext. 3-3700.
   - Location, selection and use of PPE for the laboratory work assignment/task.
   - **CSU Learn** (On-line) Trainings (e.g. IIPP, COVID-19, Hazardous Communication; Lab Safety (chemical) or Shop Safety (machinery))

3. **Communication**
   - Location of employee safety board (HRM Lobby and RMEHS Hallway), routing of safety bulletins, safety protocol, and proper lab techniques for all work.

We agree that the checked items have been discussed. This form will be used to establish a basis for probationary appraisals.
