Schedule Planner and Q2S

More students acquired face-to-face information about Semester Conversion (Q2S) at the Schedule Planner events with academic advisors! Students answered questions about Q2S including, “What is the difference between a quarter and a semester?”, “What are some of the benefits?” and “How do students prepare?” They won prizes including a Q2S shirt! Great collaboration with some of the university’s SSPs.

On Wednesday, October 8, the Office of Semester Conversion participated in Nest Fest to share information with students for Q2S at the main campus walkway. There was music, prizes and food from delicious food trucks. Great job to our Ambassadors. It was their first time helping to spread the word!
