INSTRUCTIONS FOR PETITION TO WITHDRAW SUMMER 2020

## **NOTICE ON CAL STATE LA'S UNDERGRADUATE WITHDRAWAL LIMIT:**

Effective Fall 2009, all undergraduate students may withdraw from a maximum of 18 semester units over the course of their entire undergraduate career (including special sessions, enrollment by extension, and re-enrolling after separation from the University for any reason). Exceptions include courses taken prior to Fall 2009, courses dropped before the drop deadline, courses in which the student received a grade of WE (Withdrawal for Extenuating Circumstances), and courses taken at other institutions.

Prior to withdrawing from classes, the student should consider the consequences of withdrawal after the drop deadline. Withdrawing generally will impact progress towards degree, future course enrollment, financial aid eligibility and will be subject to the undergraduate withdrawal limit listed above.

Be aware that after the drop deadline, class withdrawals are permissible only for serious and compelling reasons and, for undergraduate students, the class units will be applied towards the Undergraduate Withdrawal Limit of 18 units. The definition of serious and compelling reasons as applied by faculty and administrators will be defined more narrowly as the semester progresses. Please be advised that **poor academic performance or poor time management is not justification for withdrawing from classes.**

If the student has a documented serious medical condition that requires withdrawal from all classes, the student must complete the Withdrawal Petition and submit appropriate medical documentation or a statement from their physician confirming the student's illness or injury. If the petition is approved, the administrative grade of WE is assigned and the units assigned to the class will not be subject to the Undergraduate Withdrawal Limit. Students who have any questions regarding their decision to withdraw from a class should consult with their advisor as soon as possible.

## **Withdrawal After the Drop Deadline up Until the Last Week of Instruction**

Withdrawals during this period are subject to CSU's Undergraduate Withdrawal Limit and are permissible only for a serious and compelling reason. Class Withdrawals require approval from the instructor and department chair of the class. The definition of "serious and compelling reasons" as applied by faculty and administrators will be defined more narrowly as the semester progresses. Students must complete the Petition to Withdraw form and submit to the Records Office as soon as possible but no later than the established deadline for that term. If the petition is approved, a grade of W will be assigned and the class units will be applied toward the Undergraduate Withdrawal Limit.

## **Withdrawal During the Last Week of Instruction**

Withdrawals shall not be permitted during or after the last week of instruction except where the cause of withdrawal is due to circumstances clearly beyond the student's control (e.g. serious illness, accident, job transfer, military deployment, etc.) and the assignment of an incomplete is not practicable. Withdrawals of this sort may involve total withdrawal from the University or may involve only one course, except that course grade and credit or an incomplete may be assigned for courses in which sufficient work has been completed to permit an evaluation to be made. Requests for permission to withdraw under these circumstances shall be handled and filed as indicated in the preceding paragraph, except that such requests must also be approved by the appropriate college dean. Such withdrawals shall not count against the 18 semester-unit maximum.

The department/division chair or school director may approve a withdrawal for a student without first obtaining the instructor's signature when the student and the chair and/or director have been unable to

contact the instructor after a reasonable good faith effort. In these cases, the chair or director shall notify the instructor of the action and its justification.

Should the request not be approved, the student must initiate the incomplete process where applicable or complete the class. Students who do not follow the appropriate withdrawal procedure (cease attending class) may have a symbol of WU placed on their record for each class. The WU is treated as an F for GPA calculation.
