

Bilingual Authorization Program

Program Overview

The Bilingual Authorization Program is designed for credentialed Los Angeles-based bilingual teachers, who have an interest in adding Bilingual Authorization to their skill set. The program is approved by the California Commission on Teacher Credentialing (CCTC).

This accelerated three-course program qualifies students for authorization in one of the following Cal State LA-approved languages: Spanish, Korean, Mandarin, Cantonese and Tagalog.

Bilingual Authorization courses prepare individuals to teach in two languages covered by their primary credential. Upon completion of the program, students will be prepared to develop and implement bilingual and dual language curriculum strategies, and adapt them to cross-cultural settings.
