

2024 Cal State LA - MolSSI Computational Molecular Science Workshop

The Cal State LA - MolSSI PREC PDP Program is excited to offer a **5-day workshop**, held on the Cal State LA campus, which will feature daily hands-on exercises, introducing students to scientific programming, computational molecular science, machine learning, and professional development activities. Students will receive a **stipend of \$50/day**, along with lunch and travel allowances.

Please visit calstatela.edu/centers/prec to learn more about the program and to apply.

Online Application Dates:
October 30 - December 1, 2023

Program Dates:
January 8 - 12, 2024
