|                                                                                 |       |                          |  |  |
|                                                                                 |       |                          |  |  |
|                                                                                 |       |                          |  |  |
|                                                                                 |       |                          |  |  |
|                                                                                 |       | ppment (3) nt sub-blocks |  |  |

Two civic learning courses (denoted by **cl**) with one being an UD course One race/ethnicity course (denoted by **re**) AND one diversity (denoted by **d**) 2. course or another **re** course.

One writing intensive course (denoted by **WI**). 3.

Above requirements must be fulfilled in GE blocks. Choose accordingly. An IHE course is required of all first-time freshmen. Please see e-catalog for complete GE requirement rules and policies.

## **\*RELATED AREA ELECTIVES**

If you took CS 2012 for the Group I required course, then select 9 units of Related Area Elective courses from approved list.

If you took PHYS 2200, BIOL 1200, or CHEM 1100 for the Group I required course, then select 7 units of Related Area Elective courses from approved list. The approved list of ALL electives can be obtained at math dept. webpage.

| Major Requirement (81 Units)                                                  | Term | Grade |  |  |
|-------------------------------------------------------------------------------|------|-------|--|--|
| Lower Division Required Courses (33)                                          |      |       |  |  |
| MATH 2170 (3) or CS 2011 (3)                                                  |      |       |  |  |
| MATH 2110 Calculus I (4)                                                      |      |       |  |  |

| Course2 =                                                                     |      |       |  |  |

## **GRADUATION REQUIREMENTS**

Minimum 40 units of upper division courses AND 120 total units are required for graduation. For an extensive list of other graduation requirements, check "academic requirement" in your GET account.
